

City Administrator Report to Mayor & City Council

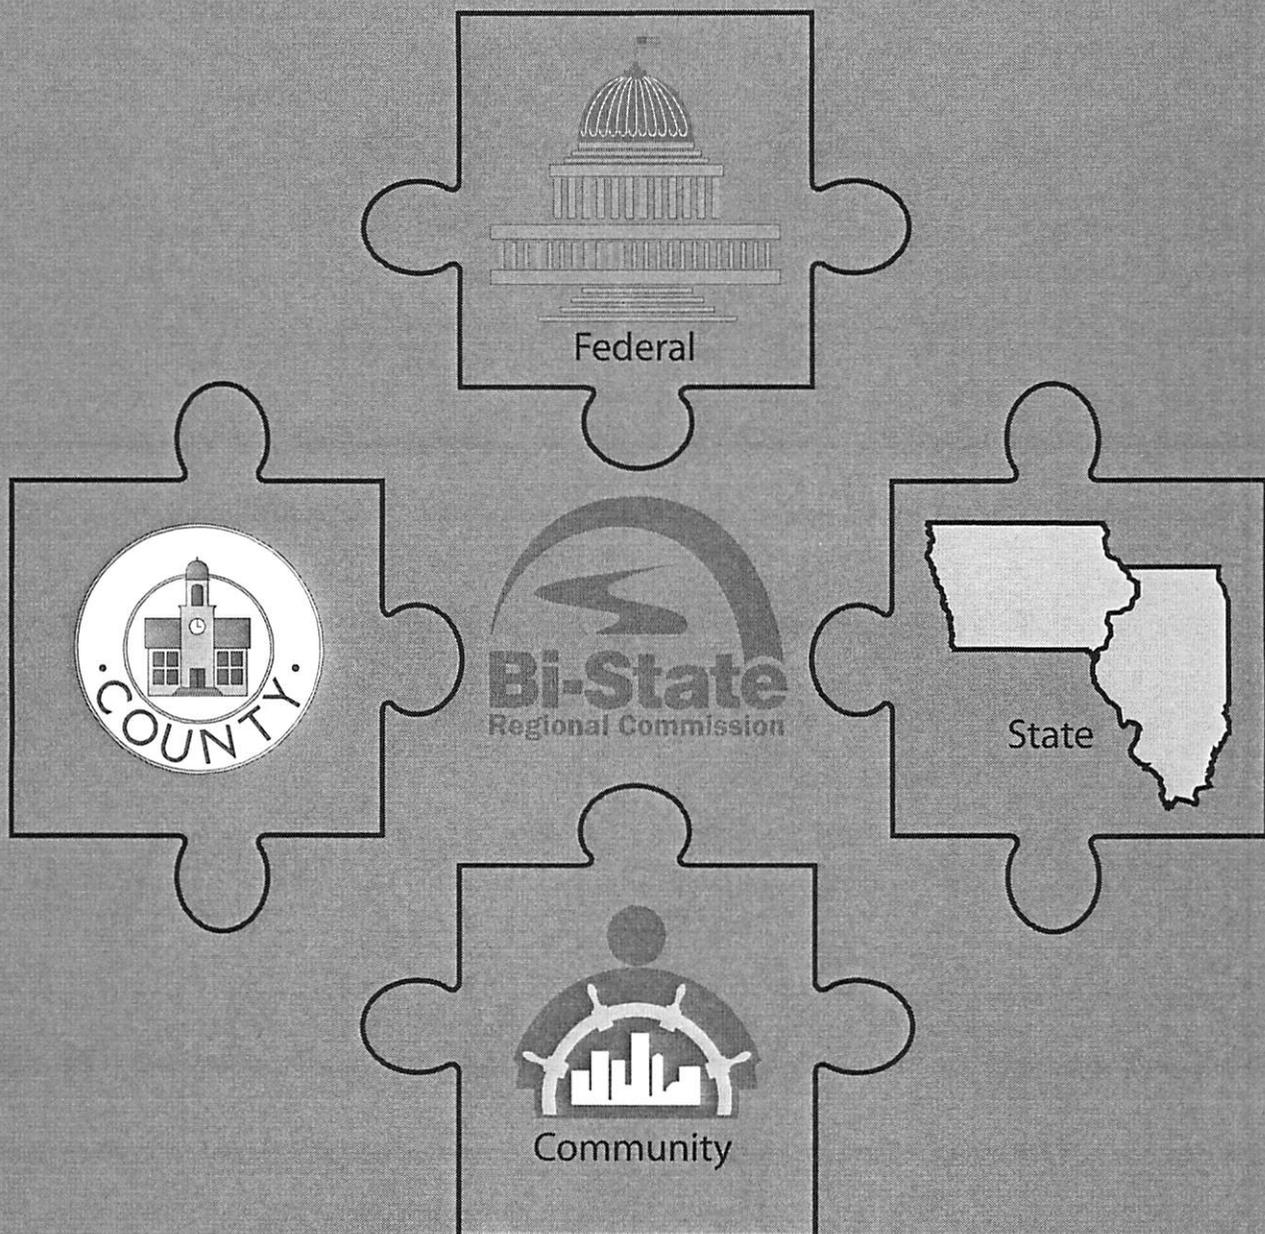

August 28, 2015, Edition No. 188

WEEKLY UPDATE:

1. SBFL: The committee reviewed an application for the Small Business Forgivable Loan Program this week. The application is for a new business on 2nd Street - Hanna's OzSome Treats. More details to come. Council member Spread has also shared the details of a Strong Communities Award opportunity. We plan to get the application in by the deadline Monday. Here are additional details and a link with more info: "Do you have an economic development project that has made an impact in your community? Apply today for a chance to win \$15,000! Every year the Federal Home Loan Bank of Des Moines highlights the work our members do by awarding the Strong Communities Award to deserving projects within our district. The award demonstrates the value that communities throughout the FHLB Des Moines district derive from small business and economic development projects. The award recognizes projects that created stronger communities by measuring: Impact - The project provided a solution to identified economic development needs of the community. Results - The project demonstrated specific economic development benefits to the community. Collaboration - The project included financial or human contributions from a FHLB Des Moines member financial institution. One urban and one rural project will each receive \$15,000 to support small business growth and economic development in their communities." Link: https://fhlbforcommunity.com/news-events/news/2015-strong-communities-award?mkt_tok=3RkMMJWWfF9wsRoks6%2FJZKXonjHpfsX54%2B0sX7Hr08Yy0EZ5VunJEUWy24cFSNQ%2FcOedCQkZHblFnV0PS62vTa0Nq6UE
2. Public Officials Directory: Please see the attached directory provided by Bi-State.
3. Bi-State: Attached please find a copy of the *Commission in Review* for June and July 2015. The Commission in Review is intended to assist the over 400 elected officials from our member governments in being better informed of their Commission's activities.
4. Mississippi Drive: Hope to see you at one or more of the project kick-off events starting this coming Monday. Wellmark (as part of the Blue Zones efforts) will be coordinating the filming of Cedar Street next week likely while Dan Burden is here. We will have access to the video once complete.
5. Legislative Priorities: Attached are the recommended 2016 legislative priorities. This will be acted upon at the League's annual conference.
6. China: May 2016 is the target opening date for the next Muscatine Visitor's center in Yiwu, China.
7. MPW: Attached are the August agenda and the July minutes for MPW.
8. Conference: I will be attending the Iowa League Conference and ICMA Annual Conference 9/23-9/25 and 9/28-9/30. I will be available by cell or email. If you need anything immediately, please contact Randy or Nancy.

9. Muscatine Egg Gatherers: Andrew will be bringing the next section of the Zoning Ordinance to Council at the September In-Depth meeting. This topic is covered under this next chapter, but neither staff nor the Planning Commission has not recommended any changes to the current ordinance at this time. Before spending much time on this topic, staff will be looking for council input on whether this is something you are interested in considering at this time. The following is provided by a local group looking to provide for the raising of chickens in the backyard - Here is document we have been working on. Two researched based sources are cited at the beginning. We pulled information from Coralville, Mason City, Johnston, and Burlington city codes. Included are links to those codes. We wanted to gather information from cities of similar population. A suggestion for a possible ordinance is at the end of the document. Hope this is helpful information. Alyce Spoto, Muscatine Egg Gatherers.

Public Officials Directory

July 2015

INTRODUCTION

Serving local governments in Muscatine and Scott Counties, Iowa; Henry, Mercer and Rock Island Counties, Illinois.

August 2015

This edition of the Public Officials Directory (P.O.D.) includes revisions through July 2015. It also includes staff changes and updated maps through July, as available.

Additional copies of the P.O.D. are available in the following formats:

- 1) Hard copy
2) E-mail as a PDF document
3) On our website www.bistateonline.org, as a downloadable PDF document

To place your order, please use the form below and send it to the address listed below or call us at (309) 793-6300. Please call our office if you have questions on downloading a copy from the website.

We continually search for ways to improve our services to local governments and the region. If you have suggestions for making this directory more useful, please share them with us. Also, please contact us with any changes occurring after our publication.

As always, we are grateful for the assistance of municipal, county, state, and federal officials in providing the information for this document.

Sincerely,

Denise Bulat
Denise Bulat
Executive Director

Mission Statement:

*To serve as a forum
for intergovernmental
cooperation and
delivery of regional
programs and to
assist member local
governments in
planning and project
development.*

Tourism Activities in the Bi-State Region

Nick Cusick of the Muscatine County Convention and Visitors Bureau reported that in 2013, tourists spent \$76,950,000 in Muscatine County and generated \$91,000 in local tax receipts. The Muscatine tourism industry employed 670 in the county.

Formerly a part of Greater Muscatine Chamber of Commerce and Industry, the Muscatine Convention and Visitors Bureau was reorganized by the City of Muscatine in 2013 to become an independent organization with an 18-member board. Twenty-five percent of Muscatine hotel/motel tax is dedicated to the bureau. For the first time, this allowed for a full-time staff member. On June 8th of this year the board voted to dissolve the corporation and move toward becoming a department of the city of Muscatine, but it will function the same as it has for the past two years but with a seven-member advisory board.

Mr. Cusick said it was record-high fiscal year for hotel/motel tax with over \$415,000 collected. This fiscal year showed a record-high first quarter of over \$123,000. In May 2015, the bureau launched its digital marketing/retargeting campaign with the release of its new brand: Made In Muscatine. The premise of brand was to celebrate Muscatine's industrial & entrepreneurial past and present while showing potential visitors that experiences, adventures, and memories are "made" in Muscatine.

Joe Taylor of the Quad Cities Convention and Visitors Bureau (QCCVB) stated the QCCVB is celebrating its 25th anniversary. The bureau is governed by a board of directors with seven public sector member and seven private sector members. It is accredited by Destination Marketing Association International, and funding for the bureau comes from hotel taxes from each municipality, state grants from Illinois and Iowa, and partnerships with local businesses.

In 2013, tourists in the Quad Cities spent \$800 million on goods and services. The tourism industry employed over 8,300 employees and those employees earned \$132 million in wages. Tourists generated \$11 million in direct tax revenue.

Mr. Taylor said the Mississippi River Trail and American Discovery Trail development continues to be supported by the bureau. The John Deere Classic celebrates its 45th year in the Quad Cities with Jordon Spieth defending his title. RAGBRAI XLIII ends in Davenport on July 25, on the same day as the annual Quad-City Times Bix 7. Next year, the Missouri Valley Conference Women's Basketball Tournament will take place in the Quad Cities 2016-2017.

Freight Commodity Efficiency Plan Recommendations Presented

Ms. Erika Witzke and Mr. Alan Meyers from Cambridge Systematics, Inc. presented the status of the Bi-State Region Freight Commodity Efficiency Plan to the Commission. The project was initiated 10-months ago to inventory the freight transportation system in the five-county Bi-State Region, assess needs, analyze commodity flows, report findings, and make recommendations for improving the freight transportation system. As part of the assessment, the consultant team utilized the stakeholders committee, industry interviews and a workshop to solidify study recommendations.

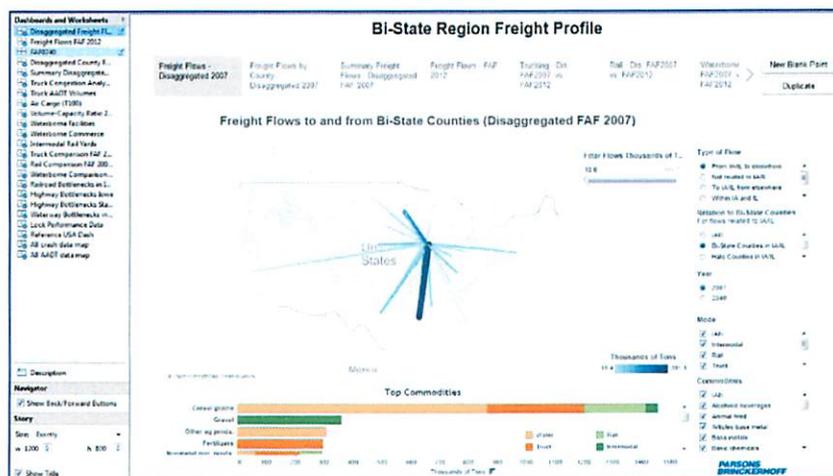

Ms. Witzke and Mr. Meyers identified key freight system needs, issues, and opportunities with a focus on the following themes:

- Economy - Use the Bi-State freight system support the region's economy
- Infrastructure - Maintain and enhance highway system infrastructure
- Operations - Promote freight rail system operational efficiencies
- Access and Modal Options - Increase accessibility and mobility options for the region
- Resiliency - Work toward system resiliency and reliability

As part of the analysis, the consultants developed a regional freight profile and commodity tool. This tool will be turned over to Bi-State staff to utilize for future freight development needs. Ms. Witzke and Mr. Meyers gave a demonstration and provided a suggested framework, using cost-benefit analysis to evaluate different freight modal projects.

The plan identified over \$310 million in highway projects that will benefit freight movement as identified in the existing Transportation Improvement Program. There are \$101 million identified in the TIP that are shown as unfunded projects. Fourteen new highway projects were identified as part of the planning process. The plan outline plans for an intermodal, transload and/or consolidation facility, as well as rail bridge improvements to accommodate heavier loads and meet federal weight compliance requirements. The consultants suggested a new rail bridge across the Mississippi River, as well as rail spurs and connections from the Iowa Interstate Railroad, along with water port expansion.

Having a freight plan will provide the region with future opportunities to pursue funding. The plan documents all freight recommendations, which will give the ability to monitor implementation regularly and illustrate roles for public and private stakeholders. As follow-up to the planning effort, Bi-State staff plan to continue to build freight relations and foster collaboration with a freight forum and look to building support for plan implementation.

**BI-STATE REGIONAL COMMISSION
FY 2014-15 Program Budget Status Report
Through Month of May – 92% of Year**

ADOPTED BUDGET:	\$2,137,763.00	EXPLANATION:

Bi-State Report – May

COMMUNITY/ECONOMIC DEVELOPMENT: Provided information to Henry County Economic Development Partnership (HCEDP) staff & board. Continued administration of Economic Development Administration/United States Department of Agriculture Rural Jobs and Innovation Challenge Grant Program on behalf of multiple member governments in Henry, Mercer, and Rock Island Counties. Attended IA RELAT meetings. Attended Iowa Regional Council and Illinois Regional Council meetings. Assisted members with legislative priorities. Published *Bi-State Region Comprehensive Economic Development Strategy (CEDS) 2015 Progress Report*. Met with Mercer and Muscatine Counties' economic development officials to discuss development efforts and strategies.

DATA/GRAPHICS/MAPPING/ON-LINE SERVICES

Data Center: Staff responded to approximately 9 data and map requests in May 2015 including 5 from local governments, 2 from private citizens, 1 from business, and 1 from non-profits. The data section of the Bi-State website had 66 page views. The data warehouse site (www.greaterqcregion.org) had 379 visits and 515 page views. Staff continued work on the *2045 Quad Cities Long Range Transportation Plan* and an application to the Economic Development Administration for enhancements to the Data Warehouse website.

Graphics/GIS/Mapping: 2014 Aerial Photo Flyover Coordination; *2045 Quad Cities Long Range Transportation Plan* coordination, data, and GIS/mapping; Be Healthy QC (PICH) Grant; QC Chamber Sites Assistance – GIS/Floodplains; QC Street Map (Folded & Wall Versions) Update; Region 9 Long Range Transportation Plan Mapping; QC Urban Transportation Improvement Program (TIP) Mapping; QC Urban Travel Model Data and GIS Assistance; Will to Ben Bike Ride Mapping; Update/Maintain GIS Data for Street Centerlines, Traffic Counts, MPA Boundary, Federal Functional Class Routes, Urban Areas, Corporate Limits, Landmarks, Rail, Trails, and other layers.

www.bistateonline.org. Total pages viewed for May 2015 was 2,721 and top pages viewed included: Home Page (991); Search Page (173); Our Staff (99); Who We Are (75); Documents (74); I-74 Iowa-Illinois Bridge Corridor (48); Average Daily Traffic Counts (47); Joint Purchasing Council (43) and Careers (42).

ENVIRONMENTAL, RECREATION, RIVERFRONT SERVICES: Responded to inquiries & assisted with trail/recreation project funding assistance/grants. Served Rock Island County Waste Management Agency (RICWMA) with coordination of meetings, oversight, and management of waste disposal and recycling programs; reporting; and overall agency administration. Responded to RICWMA telephone inquiries from general public & media concerning solid waste and recycling issues. Continued coordination of issues related to Bi-State Region Clean Air Partnership and strategies for emission reduction. Continued multi-jurisdictional hazard mitigation planning. Attended RiverVision and River Action meetings. Attended planning meetings for Upper Mississippi River conference and Illinois floodplain issues. Organized bi-monthly meeting of Quad City Riverfront Council.

INTERGOVERNMENTAL FORUMS AND REGIONAL SERVICES: Continued assistance to the Joint Purchasing Council (JPC). Worked on the following bids: Calendars; printer supplies; and utility supplies. Staffed Quad Cities Area intergovernmental forums and meetings of area recreation directors, managers, and administrators, and chief elected officials. Continued coordination and planning for the awarded Department of Justice interoperability grant. Assisted with Rock Island Arsenal issues.

REVOLVING LOAN FUND (RLF): Administered Bi-State RLF Program: Prepared meeting cancellation notice and financial summary report. Provided information to potential applicants. Continued receiving job creation information from active companies. Administered Mercer/Muscatine RLF Program (MMRLF): Prepared financial summary report. Provided information to potential applicants. Worked with Aledo, Muscatine City and County, West Liberty, and Wilton to identify potential projects for gap financing.

TRANSPORTATION PLANNING, PROGRAMMING AND PROJECT DEVELOPMENT: Attended related meetings, presented information, and continued staff coordination of river crossing issues. Monitored QC bridge restrictions for CY15. Worked on *2045 Quad Cities Long Range Transportation Plan (LRTP)* chapters, travel model calibration/validation, and TAZ level projections. Held joint interdisciplinary traffic safety meeting. Prepared monthly reports of federal transportation programs and coordinated related funding/reporting. Monitored air quality emission issues and exceedances. Continued "Make Air Quality Visible" strategic plan implementation. Completed spring travel time runs/analysis for congestion monitoring. Conducted trails counting. Worked on connections of American Discovery Trail (ADT)/Grand Illinois Trail and Mississippi River Trail, and attended related meetings, as well as other trail planning and grant assistance. Facilitated issues related to Bi-State Regional Trails Committee. Participated in Partnership in Community Health (PICH) grant facilitation. Coordinated Bi-State Drug and Alcohol Testing Consortium and continued random testing program. Monitored MPO and Iowa Region 9 FY15 Transportation Planning Work Programs and completed FY2016 TPWP development. Monitored FFY15-18 Transportation Improvement Programs (TIP) including facilitating TIP revisions, and maintenance of data entry in Iowa TPMS as part of transportation improvement programming. Continued MPO FFY16-19 TIP development. Administered IAQC and Illinois Region 2 transit coordinator positions. Administered Bi-State Region Freight Flow Commodity Study and participated in meetings, document review, and coordination. Reviewed transit funding balances, assisted with 5310 Program Management Plan, and monitored FTA grantee requirements. ILQC Transportation Alternatives Program (TAP) funds coordination. Monitored status of implementation of passenger rail service to Chicago. Participated in transportation webinars, workshops, or conferences on various topics, including planning applications, modeling, and transportation data.

**BI-STATE REGIONAL COMMISSION
FY 2014-15 Program Budget Status Report
Through Month of June – 100% of Year**

ADOPTED BUDGET:	\$2,093,518.00	EXPLANATION:
EXPENDED THROUGH JUNE:	\$2,017,600.20 (96.4%)	
STAFF LEVEL BUDGETED:	25.25 F.T.E.	
STAFF LEVEL MAINTAINED:	22.75 F.T.E.	

MEMBER GOVERNMENTS SERVED DIRECTLY AND ACTIVITIES DURING JUNE:

ALEDO – RLF Coord.; Transit Mobility/HSTP Planning; Website Support.
ALPHA – HCEDP Participation; Transit Mobility/HSTP Planning; Enterprise Zone.
ANDALUSIA – RICWMA Staffing; Riverfront Council; Website Support; Zoning Map Update.
ANDOVER – HCEDP Participation; Transit Mobility/HSTP Planning; Enterprise Zone.
ATKINSON – HCEDP Participation; Transit Mobility/HSTP Planning; Website Support; Enterprise Zone.
BETTENDORF – Air Quality Asst.; Drug/Alcohol Testing Consort.; I-74 Bridge Coord.; IAQC Transit Planner Coord. & 5310 Project Mgmt Plan; Joint Purchasing; QCICNet; Riverfront Council; RLF Loan Admin.; Scott Co. Housing Council; Solid Waste Coord.; Trail Coord. and trails counting; REAP Plan Update; TIP Project Coord.; Park/Rec Plan Update Coord.; RISE Grant Asst.
BLUE GRASS – Reg. 9 Transp. Coord., LRTP; Solid Waste Coord.; Website Support; Traffic Analysis Asst.; Playground Info; Survey Info.

SCOTT COUNTY – Financial Mgmt – Scott Co. KIDS and Scott Co. Hsg. Cnd.; Scott Co. Kids Community Plan; Air Quality Coord.; I-74 Bridge Coord.; Joint Purch.; QCICNet; Reg. 9 Transportation Coord. & LRTP; RLF Admin.; Solid Waste Coord.; Trail Planning/ADT Coord.; REAP Plan Update; Transit Mobility/HSTP Planning; Interop. Project; QC Health Initiative and Safe Routes to Schools Planning; Countywide IT Survey; Hazard Mitigation Plan Inquiry.
SHERRARD – Joint Purchasing; Transit Mobility/HSTP Planning; Website Support; Grants and Equipment Inquiries.
SILVIS – E9-1-1 Coord.; IL Intergov. Comm. Coord.; Joint Purchasing; MUNICES Coord.; QCICNet; RICWMA Stfg.; RMS Coord.; Trails Plan.; TAP Project Development Process; Enterprise Zone; Funding Inquiry; Aerial Photo Coord. Asst.; Mapping Inquiry.
VIOLA – Transit Mobility/HSTP Planning; Grants Research.
WALCOTT – Reg. 9 Transportation Coord., RLF Admin; Solid Waste Coord.; Trail Coord.

MEMBER GOVERNMENTS SERVED DIRECTLY AND ACTIVITIES DURING JUNE - CONTINUED:

WEST LIBERTY – Air Qual. Coord.; Reg. 9 Transp.; Trails Plan/ADT Coord. Solid Waste Coord.; Musc. Co. Haz Mit Plan; Fact Sheet Update; MMRLF Bus. Loan Docs.
WILTON – Air Qual. Coord.; Reg. 9 Transp. Coord, LRTP; Solid Waste Coord.; Muscatine Co. Haz Mit Plan; Fact Sheet Devel.; MMRLF Mrking Asst.
WINDSOR – Transit Mobility/HSTP Planning; CDAP Grant Application/Mapping.
WOODHULL – HECDP Asst.; Transit Mobility/HSTP Planning; Enterprise Zone.

Bi-State Report – June

COMMUNITY/ECONOMIC DEVELOPMENT: Provided information to Henry County Economic Development Partnership (HCEDP) staff & board. Continued administration of Economic Development Administration/United States Department of Agriculture Rural Jobs and Innovation Challenge Grant Program on behalf of multiple member governments in Henry, Mercer, and Rock Island Counties. Attended IA RELAT meetings. Attended Iowa Regional Council meeting. Assisted members with legislative priorities. Communicated with Mercer and Muscatine Counties' economic development officials to discuss development efforts and strategies.

DATA/GRAPHICS/MAPPING/ON-LINE SERVICES

Data Center: Staff responded to approximately 11 data and map requests in June 2015 including 4 from local governments, 2 from private citizens, and 5 from non-profits. The data section of the Bi-State website had 50 page views. The data warehouse site (www.greaterqcregion.org) had 371 visits and 527 page views. Staff submitted a grant application to EDA for data warehouse improvements and prepared the *Bi-State Region Comprehensive Economic Development Strategy (CEDS) 2015 Progress Report* for final printing and distribution; staff also continued work on the *2045 Quad Cities Long Range Transportation Plan* and the *Scott County KIDS Strategic Plan*.

Graphics/GIS/Mapping: 2014 Aerial Photo Flyover Coordination; 2045 QC Urban Long Range Transportation Plan coordination, data, and GIS/mapping; Be Healthy QC (PICH) Grant; QC Chamber Sites Assistance – GIS/Floodplains; QC Street Map (Folded & Wall Versions) Update; QC Urban Travel Model Data and GIS Assistance; Update/Maintain GIS Data for Street Centerlines, Traffic Counts, MPA Boundary, Federal Functional Class Routes, Urban Areas, Corporate Limits, Landmarks, Rail, Trails, and other layers.

www.bistateonline.org. Total pages viewed for June 2015 was 2,767 and top pages viewed included: Home Page (1,034); Our Staff (176); Search Page (133); Careers (96); Quad Cities Metro Area Transportation Improvement Program (TIP) (64); Contact Us (58); Who We Are (56); and Documents (48).

ENVIRONMENTAL, RECREATION, RIVERFRONT SERVICES: Responded to inquiries & assisted with trail/recreation project funding assistance/grants and trail use counting. Served Rock Island County Waste Management Agency (RICWMA) with coordination of meetings, oversight, and management of waste disposal and recycling programs; reporting; and overall agency administration. Responded to RICWMA telephone inquiries from general public & media concerning solid waste and recycling issues. Continued coordination of issues related to Bi-State Region Clean Air Partnership and strategies for emission reduction. Continued multi-jurisdictional hazard mitigation planning. Attended River Action meetings. Attended planning meetings for Upper Mississippi River conference and Illinois floodplain issues. Organized bi-monthly meeting of Quad City Riverfront Council.

INTERGOVERNMENTAL FORUMS AND REGIONAL SERVICES: Continued assistance to the Joint Purchasing Council (JPC). Worked on the following bids: Calendars; printer supplies; and utility supplies. Staffed Quad Cities Area intergovernmental forums and meetings of area recreation directors, managers, and administrators, and chief elected officials. Continued coordination and planning for the awarded Department of Justice interoperability grant. Assisted with Rock Island Arsenal issues.

REVOLVING LOAN FUND (RLF): Administered Bi-State RLF Program: Prepared meeting cancellation notice and financial summary report. Provided information to potential applicants. Continued receiving job creation information from active companies. Administered Mercer/Muscatine RLF Program (MMRLF): Prepared financial summary report. Provided information to potential applicants. Closed on Aledo company loan. Worked with Aledo, Muscatine City and County, West Liberty, and Wilton to identify potential projects for gap financing.

TRANSPORTATION PLANNING, PROGRAMMING AND PROJECT DEVELOPMENT: Attended related meetings, presented information, and continued staff coordination of river crossing issues. Monitored QC bridge restrictions for CY15. Worked on *2045 Quad Cities Long Range Transportation Plan (LRTP)* chapters, travel model calibration/validation, and requested future projects. Completed full draft of Region 9 LRTP. Held joint interdisciplinary traffic safety meeting. Prepared monthly reports of federal transportation programs and coordinated related funding/reporting. Monitored air quality emission issues and exceedances. Continued "Make Air Quality Visible" strategic plan implementation. Completed spring travel time runs/analysis for congestion monitoring. Conducted trails use counting. Worked on connections of American Discovery Trail (ADT)/Grand Illinois Trail and Mississippi River Trail, and attended related meetings, as well as other trail planning and grant assistance. Facilitated issues related to Bi-State Regional Trails Committee. Participated in Partnership in Community Health (PICH) grant facilitation. Coordinated Bi-State Drug and Alcohol Testing Consortium and continued random testing program. Monitored MPO and Iowa Region 9 FY15 Transportation Planning Work Programs and published FY2016 TPWPs. Monitored FFY15-18 Transportation Improvement Programs (TIP) including facilitating TIP revisions, and maintenance of data entry in Iowa TPMS as part of transportation improvement programming. Presented MPO FFY16-19 TIP and drafted Region 9 TIP. Administered IAQC and Illinois Region 2 transit coordinator positions. Administered Bi-State Region Freight Flow Commodity Study and participated in meetings, document review, and coordination. Reviewed transit funding balances, assisted with 5310 Program Management Plan, and monitored FTA grantee requirements. ILQC Transportation Alternatives Program (TAP) funds coordination. Monitored status of implementation of passenger rail service to Chicago. Participated in transportation webinars, workshops, or conferences on various topics.

Iowa League of Cities – 2016 Legislative Priorities

Economic Development

Increase funding levels for economic development programs and quality of life initiatives; preserve economic development policies, such as tax increment finance, as flexible tools for economic growth; and provide programs and policies that further develop our local workforce to attract economic development and close the skills gap.

Financial Sustainability

Eliminate unfunded mandates; diversify revenue options available to local governments and protect existing revenue options; and continue to ensure the commercial and industrial property tax backfill.

Water and Wastewater Infrastructure

Advocate for additional funding sources and flexible policies related to water, wastewater, and storm water infrastructure development to meet the demands of increased environmental regulation for cities of all sizes, including the development of opportunities for partnership with the agricultural community to meet these requirements.

Home Rule

Advocate for and sustain Home Rule and the ability to make decisions at the local level – where decisions are made closest to the people they impact and can be tailored to fit local conditions, needs, and concerns.

Public Safety

Ensure cities have the adequate resources to provide and fund public safety services, including addressing costs under the Municipal Fire and Police Retirement System of Iowa (MFPRSI).

**OFFICIAL PROCEEDINGS OF THE
BOARD OF WATER, ELECTRIC,
AND COMMUNICATIONS TRUSTEES
OF THE CITY OF MUSCATINE, IOWA
JULY 28, 2015 – 5:30 P.M.**

The Board of Trustees met in regular session at Muscatine Power and Water's Administration/Operations Building, 3205 Cedar Street, Muscatine, Iowa, on Tuesday, July 28, 2015, at 5:30 p.m.

Chairperson Steven Bradford called the meeting to order. Members of the Board were present as follows: Trustees Doyle Tubandt, Warren Heidbreder, Tracy McGinnis, and Steven Bradford; Trustee Susan Eversmeyer was absent due to previously scheduled commitments.

Also present were Sal LoBianco, General Manager of Muscatine Power and Water; Jerry Gowey, Board Secretary; Charles Potter, Muscatine Journal; Erika Cox, Brandy Olson, Tim Reed, Gage Huston, and Brenda Christensen of Muscatine Power and Water (MP&W).

Chairperson Bradford asked if there was anyone in attendance who wished to make any public comments. There were no public comments.

The June 30, 2015, public hearing and regular meeting minutes, the July 17, 2015, special meeting minutes, and the June 30, 2015, Audit/Finance Committee Meeting minutes were presented as previously submitted to all Board members in written form. Trustee Tubandt moved, seconded by Trustee McGinnis, that the minutes from the June 30, 2015, public hearing and regular meeting be approved as submitted, that the July 17, 2015, special meeting minutes be approved as amended, and that the meeting minutes of the June 30, 2015 Audit/Finance Committee Meeting be received and placed on file. All Trustees present voted aye. Motion carried.

The list of expenditures and transactions for June 2015 was presented as previously submitted to all Board members in written form. After review and discussion of the expenditures, Trustee McGinnis moved, seconded by Trustee Heidbreder to ratify payment of \$10,185,844.55 for the Electric Utility, \$561,558.57 for the Water Utility, and \$808,298.76 for the Communications Utility, for a cumulative total of \$11,555,701.88. All Trustees present voted aye. Motion carried.

Mr. LoBianco stated that as a Transmission Owner (TO) in Mid-Continent Independent System Operator (MISO), MP&W must establish tariff rates for use of its transmission system by other market participants. The process for establishing these rates is through MISO's formula rate protocols using MISO's Attachment O template. MP&W must update its Attachment O each year, utilizing the Utility's most recent financial data, and submit this information to MISO by the first of June. A step required by the Federal Energy Regulatory Commission (FERC) in this process is that each TO must hold an annual public meeting regarding its transmission rate updates, and submit an informational filing with

FERC regarding its updated transmission rates. Management recommends that the Board set a public hearing prior to its next regular Board Meeting on August 25, 2015 to receive any public comments regarding its annual transmission rate update (Attachment O). This public hearing will meet the requirement in MISO's revised formula rate protocols related to holding an annual public meeting. After additional discussion, the following resolution was submitted:

RESOLUTION 15-13

WHEREAS, it is recommended that a public hearing be established for the review of MP&W's annual Transmission Rate Update (Attachment O) to receive any public comments before submittal of this form to FERC; now therefore,

BE IT RESOLVED, by the Board of Water, Electric, and Communications Trustees of the City of Muscatine, Iowa that a public hearing be held on the 25th day of August 2015 at 5:28 p.m. in the Board Room of Muscatine Power and Water's Administration/Operations Building located at 3205 Cedar Street, Muscatine, Iowa, and the notice of said hearing shall be published once in the Muscatine Journal, a newspaper of general circulation published daily in the City of Muscatine, Iowa, not less than four (4) nor more than twenty (20) days prior to said hearing, all as required by the Code of Iowa.

Trustee Heidbreder moved, seconded by Trustee Tubandt, that said resolution be passed, approved, and adopted this 28th day of July 2015. On roll call, Trustees Heidbreder, Tubandt, McGinnis, and Bradford, voted aye. Voting nay, none. Trustee Eversmeyer was absent. Resolution carried.

Chairperson Bradford summarized the following appointments that are recommended for the 2015/2016 Board Committees:

Audit/Finance – Susan Eversmeyer and Warren Heidbreder (Committee Chair)

Planning/Operations – Steven Bradford and Doyle Tubandt (Committee Chair)

Personnel/Public Relations – Doyle Tubandt and Tracy McGinnis (Committee Chair)

After discussion Trustee Heidbreder moved, seconded by Trustee Tubandt, to receive and place on file the 2015/2016 Board Committee appointments. All Trustees present voted aye. Motion carried.

Mr. LoBianco advised that the next meeting agenda item pertained to the Board Policy Manual and that the manual had been provided under separate cover to the Board. He stated that the manual had been reviewed and updated by staff, and submitted in a "redline/track change mode" for their review and comment. Mr. LoBianco reviewed the changes to the document; Mr. Heidbreder suggested that the Expenditure Authorization Policy be simplified by removing names and adding titles only for approval levels. No action was being requested this evening regarding the policy manual. Approval will be requested at the August Board meeting.

There were no items to review in the General Managers Report.

The next item on the agenda was to receive and place on file the YTD and June Financial Statements, which are comprised of Statements of Revenues, Expenses and Changes in Net Position, Statements of Net Position, Statements of Cash Flow, and other related financial documents for each Utility and the Quarterly Investment Report. Mr. LoBianco stated that Financials would be covered in the Key Performance Indicators presentation. Trustee McGinnis moved, seconded by Trustee Tubandt, to receive and place on file the YTD and June 2015 Financial Statements and the Quarterly Investment Report for the Water, Electric, and Communications Utilities. All Trustees present voted aye. Motion carried.

The Quarterly Project Status Report and Variance Analysis were presented as previously submitted to all Board members in written form. Trustee Tubandt moved, seconded by Trustee McGinnis, to approve the Quarterly Project Status Report and Variance Analysis. All Trustees present voted aye. Motion carried.

The Competitive Quotes for Public Improvements Report was presented as previously submitted to all Board members in written form. Trustee Tubandt moved, seconded by Trustee Heidbreder, to receive and place on file the Competitive Quotes for Public Improvements Report. All Trustees present voted aye. Motion carried.

The Critical Issues and Key Performance Indicators presentation for the Water, Electric, and Communications Utilities was the next agenda item. After a brief discussion in response to questions, Trustee Heidbreder moved, seconded by Trustee Tubandt, to receive and place on file the 2015 Second Quarter Critical Issues and Key Performance Indicators for the Water, Electric, and Communications Utilities. All Trustees present voted aye. Motion carried.

The June 2015 Departmental Reports were presented as previously submitted to all Board members in written form. Trustee McGinnis moved, seconded by Trustee Heidbreder, to receive and place on file the June 2015 Departmental Reports. All Trustees present voted aye. Motion carried.

The meeting of the Board of Trustees was adjourned at 6:40 p.m.

BOARD OF WATER, ELECTRIC, AND
COMMUNICATIONS TRUSTEES OF THE
CITY OF MUSCATINE, IOWA

Jerry Gowey
Board Secretary

Title 10 – Zoning

Chapter XXX – Keeping of Animals in Residential Districts

10-XXX-1 Applicability

- A. The raising and keeping of any animals within a residential zoned district shall comply with the regulations contained within this chapter.
- B. Nothing in this section shall be construed as permitting a type or species of animal that is prohibited elsewhere in the City Code.

10-XXX-2 Definitions

- A. **Domestic Companion Animal:** a domestic animal customarily kept, and cared for, by the occupants of a dwelling for personal pleasure, and which are not raised for food, fur, or monetary gain. Typically, this includes dogs, cats, birds and other small mammals and reptiles, but not fowl, herd animals, goats, horses, other farm type animals, or types of animals prohibited elsewhere in City Code.
- B. **Small Farm Type Animal:** Small sized animals or fowl normally raised on a farm, or as part of commercial agricultural or animal husbandry operation, or normally used for purposes related to agricultural production. Includes, but not limited to, chickens, guinea hens, geese, ducks, turkeys, pigeons, mink, and other animals or fowl of similar size and type, whose mature weight is less than 30 pounds. Young or miniature large animals are not included in this definition and are considered large animals. Domestic companion animals are not included.
- C. **Medium Farm Type Animal:** Medium sized animals or fowl normally raised on a farm, or as part of commercial agricultural or animal husbandry operation, or normally used for purposes related to agricultural production. Includes, but not limited to sheep, goats, or similar medium sized animals whose mature weight is between 30 and 500 pounds. Domestic companion animals are not included.
- D. **Large Farm Type Animal:** includes, but not limited to, horses, donkeys, burros, llamas, bovines, swine, bison, camels, ostriches, emu, and other animals or livestock of similar size and type, whose mature weight exceeds 500 pounds.

10-XXX-3 Regulations Applying to Parcels Under 2 Acres in Size

- A. Keeping of domestic companion animals of a type and in a manner that is in compliance with all relevant sections of City Code is permitted.
- B. Keeping of small farm type animals, medium farm type animals, or large farm type animals is prohibited.

DRAFT City of Muscatine, Iowa—Zoning Ordinance

Chapter XXX: Keeping of Animals in Residential Districts

- C. Kennels or any other forms of boarding animals for compensation are prohibited.

10-XXX-4 Regulations Applying to Parcels More than 2 Acres but Less than 20 Acres in Size

- A. Keeping of domestic companion animals of a type and in a manner that is in compliance with all relevant sections of City Code is permitted.
- B. Maximum number of farm type of animals permitted:**
 - 1. **Small farm type animals:** Maximum of 4 small farm type animals per acre.
 - 2. **Medium farm type animals:** Maximum of 2 medium farm type animals per acre.
 - 3. **Large farm type animals:** Maximum of 1 large farm type animal per acre.
- D. Keeping of roosters, peacocks, turkey gobblers or guinea fowl is not permitted.
- E. Any accessory structure related to the keeping of farm type animals shall comply with all of the following:
 - 1. Any accessory structure associated with the keeping of small, medium, or large type farm animals, other than swine, shall be set back 60 feet from the nearest parcel line.
 - 2. Not more than one animal shelter building for the housing of livestock or small animals or fowl shall be permitted on one parcel.
- F. All pens, stalls, quarters, or any other structure related to the keeping of animals as well as any grazing areas shall be maintained in a sanitary manner free from noxious odor
- G. Kennels or any other forms of boarding animals for compensation are prohibited.
- H. Services offered in exchange for compensation that are related to or make use of farm type animals are prohibited.
- I. Keeping of swine prohibited.

10-XXX-5 Regulations Applying to Parcels More than 20 acres in Size

- A. Keeping of domestic companion animals of a type and in a manner that is in compliance with all relevant sections of City Code.
- B. All farm type animals are permitted.
- C. Feed lots, livestock confinement areas, or confined animal feeding operations are prohibited.
- D. Any accessory structure related to the keeping of farm type animals shall comply with all of the following:

DRAFT City of Muscatine, Iowa—Zoning Ordinance

Chapter XXX: Keeping of Animals in Residential Districts

1. Any accessory structure associated with the keeping of less than 60 small, 20 medium, or less than 10 large type farm animals, other than swine, shall be set back 60 feet from the nearest parcel line.
 2. Any accessory structure associated with the keeping of 60 or more small type farm animals, 20 or more medium type farm animals, or 10 or large type farm animals, or any number of swine shall maintain a 200 feet setback from the nearest parcel line.
- E. All pens, stalls, quarters, or any other structure related to the keeping of animals as well as any grazing areas shall be maintained in a sanitary manner free from noxious odor.
- F. Kennels or any other forms of boarding animals for compensation are prohibited.
- G. Services offered in exchange for compensation that are related to or make use of farm type animals are prohibited

10-XXX-6 Keeping of Hives or Colonies of Bees

Keeping of hives or colonies of bees is permitted subject to the following:

- A. No more than 2 hives per acre is permitted.
- B. Hives or colonies of bees shall be kept in a manner inaccessible to the general public.
- C. Hives or colonies of bees shall be kept in a manner so that bee movements to and from the hive do not interfere with the ordinary movements of persons on adjacent properties or the public right-of-way.
- D. Hives shall be located at least 60 feet from the nearest property line.

I would like to start with a link to this researched based article on urban chicken ordinances. [Residential Urban Chicken Keeping](#). The article discusses how different all ordinances are but the ones that work have these traits in common.

All 25 ordinances evaluated had some combination of the above common themes, but there were also some unique regulations that one (or a few) cities had related to residential chicken keeping. These unique regulations are as follows:

- Chicken feed must be stored in rat proof containers
- Pro-chicken regulations are on a 1-year trial basis with only a set number of permits issued until the yearly re-evaluation.
- For every additional 1,000 sq. feet of property above a set minimum, 1 additional chicken may be added to the property.
- The allowance of chickens in multi-family zoned areas (allowance in single family zoning is most common)
- Coops must be mobile to protect turf and prevent the build up of pathogens and waste.
- Chickens must be provided with veterinary care if ill or injured
- Minimum square footage requirements per bird for coop/enclosure

Another excellent researched based article.

[Illegal Fowl: A Survey of Municipal Laws Relating to Backyard Poultry and a Model Ordinance for Regulating City Chickens by Jaime Bouvier](#)

This article is an excellent resource of common practice and model ordinances.

Coralville, IA

Are Chickens Allowed in this location	Yes
Max Chickens Allowed	No limit given-NOISE AND ZONING ORDINANCES APPLY
Roosters Allowed	No
Permit Required	No

Coop Restrictions	No coop restrictions provided
City/Organization Contact name	Unknown
Additional Information	<p>Chapter 55.12 on KEEPING LIVESTOCK states you can have poultry but only in agriculture zoned districts:</p> <ol style="list-style-type: none"> 1. General Prohibition. Except in agriculture zoned districts, no person shall be permitted to raise, keep or harbor livestock within the corporate limits of the City. The term livestock includes animals belonging to the bovine, caprine, equine, ovine or porcine species; farm deer, as defined in Section 481A.1 of the Code of Iowa, ostriches, rheas, emus or poultry. The purpose of this section is to prohibit the pasturing, feeding and keeping of livestock either in the open or confined to buildings within the nonagricultural areas as so zoned by the City unless the same is in conjunction with an agricultural nonconforming use. 2. Chapter 55.05 states on LIVESTOCK NEGLECT: It is unlawful for a person who impounds or confines livestock in any place to fail to provide the livestock with care consistent with customary animal husbandry practices or to deprive the livestock of necessary sustenance or to injure or destroy livestock by any means which causes pain or suffering in a manner inconsistent with customary animal husbandry practices. 3. Chapter 55.10 states on NUISANCES: The following acts and circumstances are hereby declared to be nuisances and therefore are prohibited: <ol style="list-style-type: none"> 1. Keeping an animal or animals in such manner or in such number that allows for the accumulation of solid waste of such animals, which becomes a detriment to or menace to the health of the animals or to humans.

	2. Keeping a noisy animal, regardless of whether the animal is physically situated in or upon private property. A. A noisy animal is defined as an animal that barks, bays, howls, cries or emits any other noise continuously and/or incessantly for a period of ten (10) minutes or barks intermittently for a period of one-half (½) hour or more and the sound is plainly audible across a residential boundary or within a noise sensitive area.

Permit Required	No
Coop Restrictions	Proximity, noise, sanitation, zoning restrictions apply.
City/Organization Contact name	
Additional Information	168.02 R-1A (MODIFIED SINGLE FAMILY RESIDENTIAL) ZONING DISTRICT REGULATIONS. The regulations set forth in this section, or elsewhere in this ordinance when applicable, shall apply in the R-1A Modified Single Family Residential District.

A. A single family dwelling on each lot. No temporary buildings, trailers or mobile homes, tents, portable or potentially portable structures shall be used for dwelling purposes.

3. Permitted Accessory Uses. The following uses are permitted as part of, or in accessory to the principal permitted and special uses.

I. Agricultural crops, truck farming, tree farms, and orchards, provided that no offensive odors are created and provided further, that no retail sales shall be permitted on the premises.

J. Livestock keeping, provided that no offensive odors or dust are created and provided further that the following animals and poultry may be kept, for personal use only, and not for commercial use.

(2) Poultry, rabbits, chinchillas, mink, hamsters, pigeons, and other fowl or small animals.

a. Not more than six or any one or combination of such poultry, fowl, or small animals may be kept on any lot of less than 21,780 square feet in area.

b. Not more than six of any one kind or combination thereof may be added for each additional 21,780 square feet up to a maximum of 24 animals.

(3) In determining the area of a lot for the purpose of determining the number of animals or fowl which may be kept, only useable land shall be considered. Useable land shall be determined upon examination of the land. Useable land is defined as that land which due to topography, soil type, drainage pattern, and vegetation coverage shall not cause drainage from animal or fowl waste onto any other property.

(4) Grazing of livestock or poultry shall be allowed as follows:

	<p>a. Not less than 50 feet from any structure either now or in the future used for dwelling purposes.</p> <p>b. Not less than 100 feet from any well being used for potable water.</p> <p>(5) All livestock and poultry must be placed in a structurally sound fence, pen or building.</p> <p>(6) Animals shall not create or constitute a nuisance whether by excessive noise or otherwise.</p> <p>(7) All offensive odors created by the animals shall be prohibited; the area where the animals are permitted shall be kept clean and free from debris and animal waste; and any animal waste shall not be permitted to drain onto any other property, whether adjoining or not.</p> <p>(8) Disposal of animal waste shall conform to the current Polk County Local Board of Health rules and regulations.</p> <p>(9) Any owner of animals shall comply with all statues, ordinances and regulations regarding health and safety of the State, County and City.</p>

Additional Information	<p>65.31</p> <p>LIVESTOCK WITHIN CITY LIMITS.</p> <p>1. Purpose. The purpose of this section is to allow for the transition of land from agricultural to residential while maintaining the suburban quality of life within the City limits.</p> <p>2. Livestock Prohibited. It is unlawful to maintain or harbor livestock within the City limits without obtaining a livestock permit from the enforcement officer for these animals.</p> <p>3. Livestock Permit. Permits shall be given to the livestock owner and will have to be renewed should the owner transfer, sell, or otherwise convey the property to another resident. Livestock permits may be granted by the enforcement officer provided the applicant can show or has met the following conditions in addition to those set elsewhere in the City, State or Federal Codes.</p> <p>A. Housing structures for these animals shall be constructed as to minimize noise, smell or other similar nuisance.</p>

	<p>B. The owner must provide a system of disposal for animal waste.</p> <p>C. All fences shall be built to meet City Code and shall be maintained to prevent the animal from being at large.</p> <p>D. No fence, pen, cage or other housing structure shall be maintained within seventy-five (75) feet of another residential dwelling, commercial establishment, school or church.</p> <p>Livestock permits may be reviewed at any time throughout the life of the permit. The permit will be automatically reviewed upon receipt of a nuisance complaint to ensure compliance with this chapter. Three (3) or more valid nuisance complaints, as determined by the enforcement officer, may require the revocation of the livestock permit.</p> <p>4. Containment Required. Containment of all livestock shall be suitable for the species applied for and shall meet all building and fencing requirements set forth by this Code of Ordinances.</p>

Below is a suggested ordinance designed for a city to either adopt or use as a starting point when deciding whether to allow hens in the city and how to regulate them:

(a) Purpose . The following regulations will govern the keeping of chickens and are designed to prevent nuisances and prevent conditions that are unsanitary or unsafe . No person shall keep chickens unless the following regulations are followed:

a. Number . No more than four (4) hens shall be allowed for each single-family dwelling .

b. Setbacks . Coops or cages housing chickens shall be kept at least thirty (30) feet from the door or window of any dwelling or occupied structure other than the owner's dwelling . Coops and cages shall not be located within fifteen (15) feet of a side- yard lot line, nor within eighteen (18) inches of a rear-yard lot line . Coops and cages shall not be located in the front yard .

c. Enclosure . Hens shall be provided with a covered, predator-proof coop or cage that is well ventilated and designed to be easily accessed for cleaning . The coop shall allow at least two square feet per hen . Hens shall have access to an outdoor enclosure that is adequately fenced to contain the birds on the property and to prevent predators from access to the birds . Hens shall not be allowed out of these enclosures unless a responsible individual, over 18 years of age, is directly monitoring the hens and able to immediately return the hens to the cage or coop if necessary .

d. Sanitation . The coop and outdoor enclosure must be kept in a sanitary condition and free from offensive odors . The coop and outdoor enclosure must be cleaned on a regular basis to prevent the accumulation of waste .

e. Slaughtering . There shall be no outdoor slaughtering of chickens .

f. Roosters . It is unlawful for any person to keep roosters .

(b) Permit . A permit shall not be required if the above regulations are followed . If a person wishes to keep more than the maximum allowed number of hens, wishes to keep hens within the setback required, wishes to keep hens in a multi-family dwelling, wishes to keep hens on a parcel of land that is unconnected to a dwelling, or wishes to keep a rooster, a permit will be required . An application for a permit must contain the following items:

a. The name, phone number, and address of the applicant .

b. The size and location of the subject property .

c. A proposal containing the following information . i. The number of hens the applicant seeks to

keep on the property .

ii. A description of any coops or cages or outdoor enclosures providing precise dimensions and the precise location of these enclosures in relation to property lines and adjacent properties .

iii. The number of roosters the applicant seeks to keep on the property .

d. If the applicant proposes to keep chickens in the yard of a multi-family dwelling, the applicant must present a signed statement from any and all owners or tenants of the multi-family dwelling consenting to the applicant's proposal for keeping chickens on the premises .

e. If the applicant proposes to keep more chickens than allowed in the above ordinance or wishes to keep a rooster, the applicant must present a signed statement from all residents of property adjacent to or within fifty (50)feet of the applicant's property consenting to the applicant's proposal for keeping chickens on the premises . If the applicant proposes to keep chickens within a required setback, the applicant must present a signed statement from all residents of the property affected by that setback .

(c) Permit Renewal. Permits will be granted on an annual basis . If the city receives no complaints regarding the permit holder's keeping of chickens, the permit will be presumptively renewed and the applicant may continue to keep chickens under the terms and condition of the initial permit . The city may revoke the permit at any time if the permittee does not follow the terms of the permit, if the city receives complaints regarding the permit holder's keeping of chickens, or the city finds that the permit holder has not maintained the chickens, coops, or outdoor enclosures in a clean and sanitary condition .
