FOR IMMEDIATE RELEASE

October 9, 2017

INTERSECTION TO BE CLOSED FOR WATER VALVE REPLACEMENT

Mississippi Drive, Broadway intersection to be closed starting Thursday, Oct. 12

MUSCATINE Iowa - The intersection of Mississippi Drive and Broadway will be closed to all traffic except for construction vehicles starting at 7 a.m. on Thursday (Oct. 12). Muscatine Power & Water (MPW) will be replacing a water valve in the center of the intersection. The intersection is expected to reopen to local traffic on Monday (Oct. 16).

Drivers are reminded that the intersection is at the west end of the current Mississippi Drive Reconstruction Project and only local traffic is allowed past the barricades once the intersection is reopened.
