FOR IMMEDIATE RELEASE

January 30, 2018

**BIDWELL LANE CLOSURE ENDS; WORK CONTINUES DOWNTOWN**

*MPW installing traffic signal at Iowa Avenue, street lights along on Mississippi Drive*

**MUSCATINE, Iowa** – Muscatine Power & Water (MPW) has completed work on Bidwell Street at the intersection with U.S. 61 and reopened the street to traffic today (Tuesday, Jan. 30). The lane on Bidwell heading into Muscatine off of U.S. 61 was closed last week to investigate a suspected broken valve and install a fire hydrant to flush the line out.

MPW also continues work on Mississippi Drive this week installing the traffic signals at the Mississippi Drive-Iowa Avenue intersection and installing street light fixtures along the completed portion of Mississippi Drive. Some delays can be expected as work continues with the southbound lane closed at Iowa Avenue on Thursday (Feb. 1) and Friday (Feb. 2). The northbound lane will remain open.
