NO PARKING IN 100 BLOCK OF EAST 8TH STREET THIS WEEK

Repair to private water service will result in delays to traffic; find alternate routes if possible

MUSCATINE, Iowa – Parking will be restricted in the 100 block of East 8th Street (between Iowa Avenue and Sycamore Street) starting at 6:30 a.m. Tuesday. Rivo Plumbing is repairing a private water service and posted “No Parking” signs in that block on Monday.

East 8th Street will not be closed but drivers should expect traffic delays while moving through the work area. Drivers are urged to use caution and slowdown or find an alternate route.

Rivo Plumbing expects to complete work sometime on Thursday.
