**FOR IMMEDIATE RELEASE  
DECEMBER 11, 2018**

### **LANE RESTRICTION SET THIS WEEK ON LOCUST STREET**

*Drivers asked to “please alternate” while moving through construction area*

**MUSCATINE, Iowa** – The 700 block of Locust Street will be restricted to one lane starting Wednesday, Dec. 12, as KE Flatwork, Inc., cuts out the paving over the new manhole located between the #7 alley and West 8th Street. City of Muscatine project managers said Tuesday that only half of the street will be blocked off and those driving in the area are urged to alternate while moving through the construction area. The lane restriction will be enforced through the weekend.
