**FOR IMMEDIATE RELEASE
JANUARY 02, 2019**

EXPECT TRAFFIC DELAYS ON STEWART ROAD JANUARY 3

130-foot long load being delivered; watch for flaggers from Dick Drake Way to GPC

MUSCATINE, Iowa – Drivers in the south end of Muscatine should expect delays sometime between 9 a.m. and 3 p.m. on Thursday (Jan. 3) as a 130-foot long load is delivered to Grain Processing Corporation (GPC). An exact delivery time period has not been announced.

The delivery will come off of U.S. Highway 61, up Dick Drake Way to Stewart Road and then to the GPC plant entrance. Department of Public Works personnel, members of the Muscatine Police Department, and flaggers from the trucking company will be in front of, and behind the 160-foot long trailer and tractor.

Drivers can expect the Dick Drake Way and Stewart Road intersection to be closed approximately 30 minutes while the tractor and trailer makes the turn, and at least 30 minutes while the rig backs into the GPC property.

This the second delivery of a long load to GPC in less than a month. A 100-foot long load was delivered to the company of Dec. 18.

Drivers are urged to find alternate routes as needed from 9 a.m. until 3 p.m.
