### **MUSCATINE TO PUT SURPLUS ITEMS ON THE AUCTION BLOCK**

*Online public surplus auction to be held with items searching for extended life*

**MUSCATINE, Iowa** – Items declared as surplus by the Muscatine City Council on August 15 will be on the auction block in September as the City of Muscatine Department of Public Works will conduct an on-line surplus auction. Items left over from previous auctions along with new items added in the past few months will be on the auction block.

All items are available to bid on through the auction web site [www.publicsurplus.com](http://www.publicsurplus.com) starting September 3, 2019, and running through 3 p.m. on September 17, 2019. Potential buyers can go to that website, search for Iowa, and then City of Muscatine for the auction items. You must register to view items and to bid on items.
