OFFER EXTENDED FOR CITY ADMINISTRATOR POSITION

City Council authorizes City Attorney to draft contract with Carol Webb

MUSCATINE, Iowa – The Muscatine City Council directed the Muscatine City Attorney Matt Brick of Brick Gentry Law Firm to draft a contract between the City of Muscatine and Carol Webb for the position of Muscatine City Administrator.

Webb comes from Fort Collins, Colorado, where she was the Deputy Utilities Director for the City of Fort Collins.

“I am honored to serve as the City Administrator in Muscatine,” Webb said. “I’m anxious to get started and learn more about all the good things that are happening in the community and the City organization. I’m really impressed with what I have learned so far and I am confident that together, as a team, we can build on the City’s many strengths and create some new opportunities that leverage all of the great assets the community offers.”

The Muscatine City Council has been interviewing candidates for the past several weeks with the final three candidates visiting Muscatine last Thursday and Friday. Webb was offered the position over the past weekend and accepted the offer earlier this week.

Once the contract is prepared and accepted by Webb, the contract will be presented to the City Council for approval.

Once Council approves the contract, Muscatine will have a new City Administrator. Webb is currently expected to begin her new role on August 24, 2020.
