DROP OFF UNWANTED TIRES, ELECTRONICS FOR FREE

Free drop off of tires, electronics at Transfer Station starts July 18; restrictions apply

MUSCATINE, Iowa – Residents will be able to drop off their unwanted tires and electronics without a fee at the Muscatine Transfer Station starting next week according to David Popp, Solid Waste Division Manager for the City of Muscatine. However, certain restrictions do apply.

The free drop off week dates were approved by the Muscatine City Council on June 2.

Residents who have City of Muscatine refuse service will be able to bring unwanted electronics and tires to the Muscatine Transfer Station, 1000 South Houser Street, and drop them off without paying a fee but there are stipulations.

PRESS RELEASE

215 SYCAMORE STREET
MUSCATINE, IA 52761
PH. (563) 264-1550

Tires will be accepted for free (up to four tires off the rim) from July 23-24. Electronics will be accepted for free (up to three per residence) from July 25-30. Proof of residency (driver's license) is required to participate in the free drop off week(s).

Please note that electronics and tires are accepted at the Transfer Station year-round for a fee. (See [RATE AND FEE SCHEDULE](#)).

Curbside Collection of Bulky Waste

Electronics and tires are not normally included in the free curbside bulky waste collection program conducted by the City of Muscatine Solid Waste Division. However, tires and electronics can be included if a fee is paid in advance of the scheduled collection day. Restrictions do apply, however, so please check out the [Curbside Bulky Waste Collection](#) website for more information.

Residents who are City of Muscatine refuse collection clients also have the opportunity to dispose of unwanted appliances either through a curbside bulky waste collection (two free per year). There is a fee to bring the appliances to the Transfer Station or to have the item(s) picked up curbside after the two free items.

Click here to find out more about [CURBSIDE BULKY WASTE COLLECTION](#), how to schedule a collection, and additional requirements for a curbside collection. Call 563-264-JUNK (563-264-5865) or email bulkywaste@muscatineiowa.gov to submit a scheduling request.

Items that require a payment before curbside collection must be paid for and scheduled prior to the collection. Payments can be made at the Muscatine Transfer Station, 100 S. Houser Street, Muscatine City Hall Finance Department, 215 Sycamore Street, or the Department of Public Works, 1459 Washington Street.

PRESS RELEASE
