3. Golf: Please see the attached form regarding the golf course and rounds year-to-date.
4. Housing: The Housing department received high-performer status (See attached). Additionally, attached is the FSS grant approval for CY 2013. Its Official, we lost our HUD certification when the Iowa Finance Authority choose not to apply for HUD funding last year. However, the department applied as a stand alone agency some time back and just received word that we were approved. This will allow our agency to apply directly to HUD for funding. Please review the attached approval letter.
5. ATE: The City received a deposit yesterday from GATSO for the last half of September. The deposit totaled \$56,340. Net of the GATSO fee, City revenue was \$37,197. The updated summary report is attached.
