Memo

To: Gregg Mandsager, City Administrator

From: Nancy A. Lueck, Finance Director

Date: November 15, 2013

Re: Resolution Relating to Financing of Certain Proposed Projects through General Obligation Bonding

Introduction and Background:

Internal Revenue Service regulations require that cities identify projects that may be financed in whole or in part through the issuance of general obligation bonds. During the development of the 2013/2014 budget, City Council identified five projects that will be funded in whole or in part from the City's next bond issue scheduled for the spring of 2014. These projects include Colorado Street, Cedar Street, two airport projects, and the Weed Park Maintenance Building project.

With the approval of the contract for the Weed Park Maintenance Building project being considered at the November 21, 2013 meeting, Council is also requested to take action to approve the resolution related to financing this project through future General Obligation bonds. An estimated \$400,000 of general obligation bond proceeds will be needed to finance this project. Tax Increment Financing (TIF) funds will fund the annual payments on the portion of the 2014 bond issue related to the Weed Park Maintenance Building project.

Recommendation:

Please include the attached resolution on the agenda for the November 21, 2013 City Council meeting.

RESOLUTION NO. _____

RESOLUTION RELATING TO FINANCING OF CERTAIN PROPOSED PROJECTS TO BE UNDERTAKEN BY THE CITY OF MUSCATINE, IOWA; ESTABLISHING COMPLIANCE WITH REIMBURSEMENT BOND REGULATIONS UNDER THE INTERNAL REVENUE CODE

BE IT RESOLVED by the City Council (the "Council") of the City of Muscatine, Iowa, (the "City") as follows:

1. Recitals

(a) The Internal Revenue Service has issued Section 1.103-18 of the Income Tax Regulations (the "Regulations") dealing with the issuance of bonds, all or a portion of the proceeds of which are to be used to reimburse the City for project expenditures made by the City prior to the date of issuance.

(b) The Regulations generally require that the City make a prior declaration of its official intent to reimburse itself for such prior expenditures out of the proceeds of a subsequently issued borrowing, that the borrowing occur and the reimbursement allocation be made from the proceeds of such borrowing within one year of the payment of the expenditure or, if longer, within one year of the date the project is placed in service, and that the expenditure be a capital expenditure.

(c) The City desires to comply with requirements of the Regulations with respect to certain projects hereinafter identified.

2. Official Intent Declaration

(a) The City proposes to undertake the projects described on Exhibit A attached hereto.

(b) Other than (i) expenditures to be paid or reimbursed from sources other than a borrowing or (ii) expenditures permitted to be reimbursed pursuant to the transition provision of Section 1.103-18(1)(2) of the Regulations or (iii) expenditures constituting preliminary expenditures as defined in Section 1.103-18(i)(2) of the Regulations, no expenditures for the foregoing projects as identified on Exhibit A have heretofore been made by the City and no expenditures will be made by the City until after the date of this Resolution.

(c) The City reasonably expects to reimburse the expenditures made for costs of the designated projects out of the proceeds of debt (the "Bonds") to be incurred by the City after the date of payment of all or a portion of the costs. All reimbursed expenditures shall be capital expenditures as defined in Section 1.150-1(h) of the Regulations.

(d) This declaration is a declaration of official intent adopted pursuant to Section 1.103-18 of the Regulations.

3. Budgetary Matters. As of the date hereof, there are no City funds reserved, allocated on a long-term basis or otherwise set aside (or reasonably expected to be reserved, allocated on a long-term basis or otherwise set aside) to provide permanent financing for the expenditures related to the projects, other than pursuant to the issuance of the Bonds. This resolution, therefore, is determined to be consistent with the City's budgetary and

financial circumstances as they exist or are reasonably foreseeable on the date hereof, all within the meaning and content of the Regulations.

4. Filing. This resolution shall be filed within 30 days of its adoption in the publicly available official books and records of the City. This resolution shall be available for inspection at the office of the City Clerk at the City Hall (which is the main administrative office of the City) during normal business hours of the City on every business day until the date of issuance of the Bonds.

5. Reimbursement Allocations. The City's financial officer shall be responsible for making the "reimbursement allocations" described in the Regulations, being generally the transfer of the appropriate amount of proceeds of the Bonds to reimburse the source of temporary financing used by the City to make payment of the prior costs of the projects. Each allocation shall be evidenced by an entry on the official books and records of the City maintained for the Bonds, shall specifically identify the actual prior expenditure being reimbursed or, in the case of reimbursement of a fund or account in accordance with Section 1.103-18, the fund or account from which the expenditure was paid, and shall be effective to relieve the proceeds of the Bonds from any restriction under the bond resolution or other relevant legal documents for the Bonds, and under any applicable state statute, which would apply to the unspent proceeds of the Bonds.

Adopted this 21st day of November, 2013.

DeWayne Hopkins, Mayor
