Engineering

To: Gregg Mandsager, City Administrator
CC: Fran Donelson, Secretary
FROM: Randy Hill, Public Works Director
DATE: December 30, 2013
RE: "No Parking" Ohio Street (West Side)

INTRODUCTION:

Snow Plowing Operations are greatly hampered when there is not enough room for plows to safely pass on certain streets.

BACKGROUND:

It has come to the attention of the City's Traffic Committee that when vehicles are parked on both sides of Ohio Street Equipment Operators cannot get their plows through the street because it is too narrow.

RECOMMENDATION/RATIONALE:

Ohio Street is a very short road between Demorest & Sampson. No homes front Ohio on the West Side. The resident at 1611 Sampson has ample off-street parking available as well as on-street parking on the east side of Ohio and also on Sampson. The resident at 2204 has on-street parking on the east side of Ohio as well as the north side of Demorest.

The Traffic Committee recommends posting the west side of Ohio Street "No Parking".
