

## City Administrator Report to Mayor & City Council

April 3, 2015, Edition No. 167

### WEEKLY UPDATE:

1. TIF: Please see the following link on the proposed TIF Legislation. We will continue to track this issue. <http://coolice.legis.iowa.gov/Cool-ICE/default.asp?Category=billinfo&Service=Billbook&menu=false&hbill=HSB225>
2. WPCP: Jon Koch wanted to let everyone know that we are in our new facility. The Water Pollution Control Plant will have a open house later this spring with plant tours that include a tour of the laboratory. The lab is running in the new facility and still in the process of running new tests, Certification Officer inspections, and routine testing. The plant staff helped us start the move the first week of December, and the last items were finally moved out of the old laboratory this past week. The WPCP lab is certified to test for septic system discharge samples for those who live in the county and are required to have this testing completed. Residents can stop by the front office and pick up a test kit.
3. Bi-State: Attached please find a copy of the Commission in Review for March 2015.
4. CSO: Some additional information on the CSO project - the ravine capacity is around 376,824 cubic yards. Bill Haag prepared this estimate of fill capacity for the ravine and it will be a great asset that we can utilized over the next 15 years or so to reduce our costs. Also attached is the most recent (Draft) concept for subdividing the ravine into 10 building lots. All 10 of these lots could be built on with out the further extension of public infrastructure this layout also preserves the ability to sell off the lots individually or in bulk to a developer. Additionally this subdivision can help avoid another Iowa Field situation by making it very clear from the beginning that the City has no long term intention of hanging onto this land as open space/parkland.
5. Cemetery: Please see the attached draft agreement for the Cemetery Steps project should it move forward.
6. Bi-State: Per Bi-State - Attached please find the March 2015 edition of the Public Officials Directory (POD). It includes revisions through March 2015, as well as staff changes and updated maps through March, as applicable. This document is available on our website, [www.bistateonline.org](http://www.bistateonline.org). Using the document: Use the bookmarks panel on the left-hand side of the document to quickly navigate to any page in the POD. Click on the plus (+) sign to the left of any entry to view the sub-entries below. Maps are highlighted in red. We continually search for ways to improve our services to local governments and the region. If you have suggestions for making this directory more useful, please share them with us. Also, please contact us with any changes occurring after our publication. As always, we are grateful for the assistance of municipal, county, state, and federal officials in providing the information for this document. Sarah Grabowski, Bi-State Regional Commission

7. Mississippi Drive: We recently met with the CP Railroad and had a very productive kickoff session reviewing the impact of the RR raising the track, and other issues including the Papoose Creek and the RR retaining wall. The CP was very receptive and we will look to finalizing a preliminary MOU that lays out the next steps. The CP will be a key partner in the Mississippi Drive project.
8. Mississippi(Environmental): Bi-weekly Status Meeting 3/26/2015
  - EA/4(f) – Documents are currently in FHWA review process. The review process may be delayed somewhat due to staff losses in the local FHWA office. Matt Oetker will follow up next week with Mike LaPietra to get an update on progress.
  - Section 106 Process – Libby is awaiting MOA comments from FHWA. The letter sent by the City's Attorney has gone to FHWA general council in DC for comment. The FHWA response is expected to come back through Mike LaPietra. There is no time table for this reply.
  - Attached is the updated schedule.

## **ADDITIONAL INFORMATION**

### **Snow & Ice Control:**

Snow & Ice Control Report 2014-15: Please see the following summary of snow and ice control operations for this past winter provided by DPW Director Hill.

The following is a summation of the 2014/2015 Snow & Ice Control Operation:

1. The number of Snow & Ice Control Events = 14
  - November = 2
  - December = 0
  - January = 9
  - February = 2
  - March = 1
2. Our records for snow accumulation = 35". Note: The "average" accumulation is 30" - 36". '14/'15 would be considered an average winter.
3. Equipment:
  - a. Our mainline snow/ice equipment held up well with NO major breakdowns.
  - b. This is the second year we have used the "under body" (belly) plow. Again, we had success using this special featured equipment and should have two trucks outfitted with the under body plow for '15/'16.
  - c. We did not have an opportunity to try the new wing plow because it was not attached until mid-March. However, we will have three trucks outfitted with the wing plow for '15/'16.
4. Manpower:

- a. This is our weakest area. However, all Roadway Maintenance Equipment Operators were available this winter.
  - b. Because we have more equipment than manpower we may consider using a qualified TEMP employee in '15/'16.
  - c. The Collection & Drainage crew did help considerably this winter as well as Vehicle Maintenance staff (when they were not busy repairing equipment).
5. LEAN:
  - a. The Pre-Event and Post-Event meetings continue to be an excellent forum to discuss issues that plague the snow/ice operation. Communication between the Public Safety personnel (PD & MUSCOM) and Equipment Operators was better but not good enough. More effort needs to be focused on this problem.
  - b. One efficiency improvement from last year was focusing towing efforts on specific zones rather than the shotgun approach used in '13/'14.
6. Central Business District:
  - a. The Pre-Event meetings helped with the communication between PD's effort to post the CBD for "No Parking" in advance of cleanup efforts and the CBD Contractor (J. Brauns).
  - b. We need to better define the CBD for Snow Emergency purposes. Since the CBD is not included in a Snow Emergency, specific "boundaries" are necessary for ticketing purposes.
  - c. The CBD Contractor (Brauns) was used four (4) times this year at a cost of \$55,955.
7. Snow Emergency Declarations:
  - a. Snow Emergencies were declared two (2) times:
    - i. January 5, 2015 --- 288 tickets written, 0 vehicles towed
    - ii. February 1, 2015 --- 117 tickets written, 11 vehicles towed
  - b. Public education regarding removal of vehicles from the street continues to improve. We are witnessing more cooperation even when NO snow emergency is declared.
8. Materials Used:
  - a. Salt = 1802 tons
  - b. Sand = 434 tons
  - c. bottom Ash = minimal use in alleys only
9. Plow Jockey Problems:
  - a. The City code does not provide direction on this.
  - b. It is an on-going problem - all winter
  - c. Something needs to be done about this going forward
    1. Notify businesses
    2. Letter from City Attorney
    3. Registration of individuals/businesses who provide this service
10. Other Incidental Comments:

- a. Received our usual complaints
- b. Equipment Operators were involved in 2-3 small accidents
- c. Our mirrors on the equipment take a beating during snow/ice operations
- d. Filed charges on one (1) citizen for making threatening remarks

#### 11. Suggestions from EO/Administrative Staff:

- a. R. Howell attended the Sate APWA meeting in Des Moines (March 25-27) and participated in a discussion regarding Snow/Ice control.
- b. A presentation was made by Council Bluffs about their program and Randy has a copy of this powerpoint.
- c. Council Bluffs will provide a good measure for us as we gauge areas of improvement.
- d. R. Howell and I will show this to our Equipment Operators within the next couple of weeks and again in the Fall so everyone can learn and offer suggestions to make the operation better. Others are certainly welcome to attend.
- e. Compliments to the Muscatine Police Department, MUSCOM and Muscatine School District for participating in the Pre & Post-Event meetings.

Without the efforts and support of the Equipment Operators, Supervisors, Administrative Staff, Police Department, City Administrator and the City Council our Snow & Ice Control Operation would not be as successful as it is. Every year we get a little better. Winter is a difficult time for all the members of the community, but patience and cooperation on the part of the public and improved efficiency by Public Works staff is needed to get through those "long, cold, lonely days and nights".

#### **Project Updates:**

Please see the following status update on a number of projects submitted by DPW Director Hill following the team meeting last week.

##### **A. Colorado Street Reconstruction Project**

- 1. On or about April 1st the Contractor will begin pouring sidewalks
- 2. On or about April 15th the Contractor will begin landscaping work
- 3. Remaining Work:
  - i. Punch List
  - ii. Defining property ownership and selling city parcels
- 4. Construction will be completed by the end of May
- 5. Audit should be completed in July
- 6. Note: There is a good possibility that we will not have to provide incentive pay for concrete

##### **B. Cedar Street Reconstruction Project**

- 1. Retaining Wall Contractor (Culver) will be working on or about April 1st
- 2. Plumbing Contractor (Triple B) will be working on or about April 1st
- 3. General Contractor (All American) will be working on or about April 13th
- 4. Asphalt Contractor (Illowa) will be working the last week of May

5. Cedar Street will need to be closed four to six weeks beginning on or about April 13th
6. Landscaping Plan - Bill Haag will inform me as to setting a meeting date with:
  - i. Jon/Nick/Adam
7. Construction will be completed by the end of June
8. Audit should be completed in September
9. Note: Have not submitted the concrete cores to DOT for incentive pay yet

C. West Hill Phase III A

1. Will plan on a Pre-Construction meeting on April 14th

D. Fulliam/Houser Intersection Recommendation

1. The TEAM's recommendation is the same as Traffic Committee:
  - i. Right Turn Lane on Fulliam
  - ii. Center Lane on Houser for Left Turns

E. Alley Construction Specifications

1. Jim/Bill/Steve/Randy/Jody will discuss specifications for future alley upgrades
2. Option includes using existing millings rather than sealcoat
  - i. Advantage: less expensive and more durable
  - ii. Will re-experiment on alley between Monroe/Jackson - Lincoln/Grand
3. Construction will begin in May

F. Sidewalks

1. Meeting with Mulford Church representatives April 13th
2. Need to determine Weed Park route
3. Jim to provide specification
4. Set Public Hearing at the April 16th Council Meeting
5. Public Hearing on May 7th
6. Bid in May
7. Complete in September

G. Musser Park - Wiggins Road Trail

1. Unable to get property easements from Hahn to get from 33rd to 41st
2. Will meet with County Engineer regarding an alternate route
3. One other route is still possible - less expensive but not as attractive
4. All routes go through Deep Lakes Park

H. 700 Juniper

1. Work Progressing
2. Expect to be completed by Mid-May

I. Warren Street Crossing

1. Jim to work with R. Howell on this

J. Oregon Street RR Crossing

1. Jim to work with R. Howell on this

- K. Mulberry Street Reconstruction Project
1. Surveyors are on site
  2. Shoemaker-Haaland has design contract
  3. Need Construction Staging Plan from S-H

- L. Forest Parkway
1. Sod to be placed in April
  2. Update Punch List
  3. Accept Completed Work in May

- M. Geneva Creek Channel Shaping
1. Final Grading needs completed
  2. Sidewalk installed
  3. Seeding
  4. Accept Completed Work in May

- N. Roadway Maintenance Program
1. Overlay work in July
  2. Reconstruction of Cleveland in June

- O. Mississippi Drive Corridor Project
1. RFQ's sent on March 27th
  2. Responses due April 20th

I anticipate the workload to be shared among Steve/Jim/Bill. In general, project assignments are as follows:

Colorado: Jim/Steve  
Cedar: Bill/Steve/Jim  
West Hill: Bill/Steve  
Sidewalks: Steve  
Forest Parkway: Steve  
Geneva Creek Channel: Steve  
Roadway Maintenance Program: R. Howell/Jim

These are all subject to change depending on multiple factors.  
If you have any questions, please contact me.

*Serving local governments in Muscatine and Scott Counties, Iowa;  
Henry, Mercer, and Rock Island Counties, Illinois.*

**NEXT  
COMMISSION  
MEETING:**

Wed., Apr. 22, 2015  
3:30 p.m.

Scott Co. Admin Bldg.  
6<sup>th</sup> Floor Conf. Room  
600 West 4<sup>th</sup> Street  
Davenport, Iowa

**APA TRAINING  
SERIES**

" The Planning Office of  
the Future "

Wed., Jun. 3, 2015  
3-4:30 p.m.

Third Floor Conf. Room  
1504 Third Ave., R.I.

Call (309) 793-6302,  
Ext. 138 or e-mail  
[ppearson@bistateonline.org](mailto:ppearson@bistateonline.org)  
to register.

**Mission Statement:**

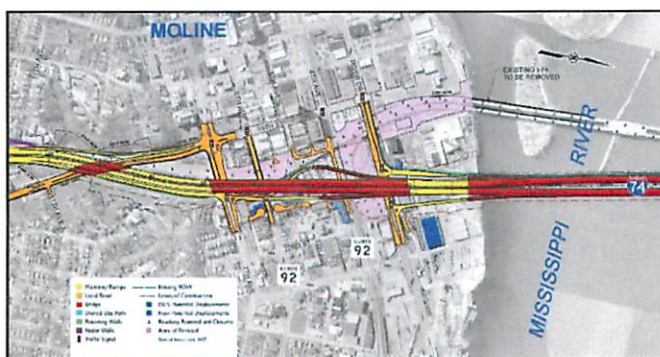

*To serve as a forum for intergovernmental cooperation and delivery of regional programs and to assist member local governments in planning and project development.*

## I-74 Bridge on Track for Construction

Doug Rick of the Iowa Department of Transportation (DOT) and Rebecca Marruffo of the Illinois DOT provided an update on the I-74 Mississippi River Bridge Corridor Project. The Interstate 74 Bridge Corridor project involves the replacement of the I-74

Bridge and over six miles of corridor improvements. It is in need of reconstruction due to crashes, recurring congestion, and significant maintenance. The bridge itself is functionally obsolete with no shoulders. The Iowa bound span was built in 1935 and the Illinois bound span in 1959.

There are two projects currently underway that will prepare the streets in downtown Bettendorf and Moline for the new bridge. Grant Street in Bettendorf will be reconstructed over the next two years. During this time State Street will remain open, and two lanes of Grant Street will be maintained.

In Moline, the River Drive project between 19<sup>th</sup> and 23<sup>rd</sup> streets, which began in fall 2014, will be completed in June 2015, and River Drive will be reopened. There will also be work on the I-74 Bridge itself this year, but day time lane closures will be avoided until late summer when projects on the Centennial and Government Bridges are finished.

The number one transportation priority in the Bi-State Region is the replacement of the I-74 Bridge. The I-74 Mississippi River Bridge Corridor project is positioned to receive significant additional federal funding. The project is included in the Transportation Improvement Programs for both the Iowa and Illinois DOTs. All National Environmental Protection Act requirements are complete, and final design of the central section will be completed in 2015.

See I-74 Bridge, Page 2

### I-74 Bridge, from Page 1

Pre-construction elements of the project along with right-of-way acquisition and demolition are nearing completion. Funding could be available through a new multi-year surface transportation bill that provides long-term certainty and increases funding for transportation infrastructure including a discretionary fund for construction ready bridge projects. The work of the entire federal delegation to previously obtain over 88 million dollars is greatly appreciated by all Quad Cities leaders.

*Rendering of widened bridge lanes*

The I-74 Bridge Corridor project has been value engineered to reduce costs and the construction period from 8 to 3.5 years or less. Plans for the Iowa portion of the bridge are 100% complete and are nearing completion for the Illinois portion of the project, which will be completed this summer. Elements of the project including the Lincoln Road overpass and the interchange at 53<sup>rd</sup> Street have already been finished. Property purchases have been completed in Iowa, and all properties that required total buyouts are done in Illinois. Illinois DOT will be continuing with partial property buyouts over the next two years.

*Rendering of Bettendorf trail connection structure at Leach Park*

The reconstructed I-74 Bridge will have increased protection for seismic occurrences and barge collisions and is being built to last 100 years. The reconstructed I-74 Bridge will have full shoulders allowing for emergency vehicle access in the event of an incident. It will also include a rare interstate multi-purpose trail along the downstream side with Mississippi River Trail access on each side and an elevator in Bettendorf.

Construction on the project will begin in the river in late 2017 and all of 2018. The approaches will be constructed in 2019 and 2020 with the old bridge set for demolition in 2021. The total cost for the entire six-mile corridor is \$1.25 billion, which includes \$250 million in reserves and the \$88 million already spent on engineering, ROW acquisition, demolition, and portions of the project corridor previously completed. The remaining costs for the central bridge section are estimated at approximately \$750 million in the year of expenditure. While the project is listed in current Iowa and Illinois DOT Transportation Improvement Programs, additional discretionary funding would be used for the final year of bridge construction, FY 2021. In addition, the northern section of the corridor from Middle Road to 53<sup>rd</sup> Street is an independent project to be constructed following the bridge completion. The northern section has not been funded and has a cost of \$115 million.

### CEDS Progress Report 2015 Draft Available for Public Input

The *Comprehensive Economic Development Strategy Progress Report 2015* Draft is now available for public review. Copies were presented to Commissioners at the March 25 meeting. The document is also available online at <http://bistateonline.org/2012-11-14-00-17-31/ceds>.

#### There's still time to submit your Bi-State survey

If you received a survey in the mail, we want to hear from you!

To complete the survey online, visit [www.bistateonline.org](http://www.bistateonline.org). Go to Member Government Survey at the top right-hand side of the homepage.

If you prefer to complete the form in writing, return it to Bi-State Regional Commission, PO Box 3368, Rock Island, IL 61204-3368, or fax to (309) 793-6305.

**BI-STATE REGIONAL COMMISSION**  
**FY 2014-15 Program Budget Status Report**  
**Through Month of February – 67% of Year**

<b>ADOPTED BUDGET:</b>	<b>\$2,137,763.00</b>	<b>EXPLANATION:</b>
<b>EXPENDED THROUGH FEBRUARY:</b>	<b>\$1,360,412.39 (63.6%)</b>	
<b>STAFF LEVEL BUDGETED:</b>	<b>25.25 F.T.E.</b>	
<b>STAFF LEVEL MAINTAINED:</b>	<b>22.75 F.T.E.</b>	

**MEMBER GOVERNMENTS SERVED DIRECTLY AND ACTIVITIES DURING FEBRUARY:**

**ALEDO** – RLF Coord.; Transit Mobility/HSTP Planning; Website Support.  
**ALPHA** – HCEDP Participation; Transit Mobility/HSTP Planning; Enterprise Zone.  
**ANDALUSIA** – RICWMA Staffing; Riverfront Council; Website Support, Levee improvements inquiry.  
**ANDOVER** – HCEDP Participation; Transit Mobility/HSTP Planning; Enterprise Zone.  
**ATKINSON** – HCEDP Participation; Transit Mobility/HSTP Planning; Website Support; Enterprise Zone.  
**BETTENDORF** – Air Quality Asst.; Drug/Alcohol Testing Consort.; I-74 Bridge Coord.; IAQC Transit Planner Coord. & Transit Support; City/DOT Quarterly Meeting; Joint Purchasing; QCICNet; Riverfront Council; RLF Loan Admin./Marketing; Scott Co. Housing Council; Solid Waste Coord.; Trail Coord. and Trail Counter Installation; Aerial Photo Coord. Asst.; REAP Plan Update; TIP Project Coord.; Park/Rec Plan Update Proposal.  
**BLUE GRASS** – Reg. 9 Transp. Coord., LRTP & STP-TAP Solicitations/Inquiries; Solid Waste Coord.; Website Support; Aerial Photo Coord. Asst.  
**BUFFALO** – Riverfront Council; Solid Waste Coord.; Trail Planning Asst.; Aerial Photo Coord. Asst.

**WALCOTT** – Reg. 9 Transportation Coord., RLF Admin; Solid Waste Coord.; Trail Coord.; Aerial Photo Coord. Asst.  
**WEST LIBERTY** – Air Qual. Coord.; Reg. 9 Transp.; Trails Plan/ADT Coord. Solid Waste Coord.; Musc. Co. Haz Mit Plan; Fact Sheet Update; MMRLF Bus. Loan Docs; Census BAS Asst.  
**WILTON** – Air Quality Coord.; Reg. 9 Transp. Coord, LRTP & STP-TAP Solicitations; Solid Waste Coord.; Muscatine Co. Haz Mit Plan; Fact Sheet Devel.; MMRLF Mktg Asst.; RISE grant inquiry.  
**WINDSOR** – Transit Mobility/HSTP Planning; CDAP Grant Asst.  
**WOODHULL** – HCEDP Asst.; Transit Mobility/HSTP Planning; Enterprise Zone.

## **Bi-State Report – February**

**COMMUNITY/ECONOMIC DEVELOPMENT:** Provided information to Henry County Economic Development Partnership (HCEDP) staff & board. Continued administration of Economic Development Administration/United States Department of Agriculture Rural Jobs and Innovation Challenge Grant Program on behalf of multiple member governments in Henry, Mercer, and Rock Island Counties. Attended IA RELAT meetings. Attended Iowa Regional Council and Illinois Regional Council meetings. Assisted members with legislative priorities. Collected data for *Bi-State Region Comprehensive Economic Development Strategy (CEDS) 2015 Progress Report*. Met with Mercer and Muscatine Counties' economic development officials to discuss development efforts and strategies.

## **DATA/GRAPHICS/MAPPING/ON-LINE SERVICES**

**Data Center:** Staff responded to approximately 12 data and map requests in February 2015 including 4 from business, 4 from local governments, 3 from media, and 1 from a non-profit. The data section of the Bi-State website had 85 page views. The data warehouse site ([www.greaterqcregion.org](http://www.greaterqcregion.org)) had 313 visits and 500 page views. Staff continued work on the *2045 Quad Cities Long Range Transportation Plan* and the *Bi-State Region Comprehensive Economic Development Strategy (CEDS) 2015 Progress Report*. Staff assisted several members with Census Boundary and Annexation Survey (BAS) 2015 responses.

**Graphics/GIS/Mapping:** 2014 Aerial Photo Flyover Coordination; IA DOT Map Proofing/Review Requests; *Bi-State Region Transit Development Plan* and *2045 Quad Cities Long Range Transportation Plan* coordination, data and mapping; Be Healthy QC (PICH) Grant; QC Street Map (Folded & Wall Versions) Update; Urban Travel Model Data and GIS Assistance; Update/Maintain GIS Data for Street Centerlines, Traffic Counts, MPA Boundary, Federal Functional Class Routes, Urban Areas, Corporate Limits, Landmarks, Rail, Trails, and other layers.

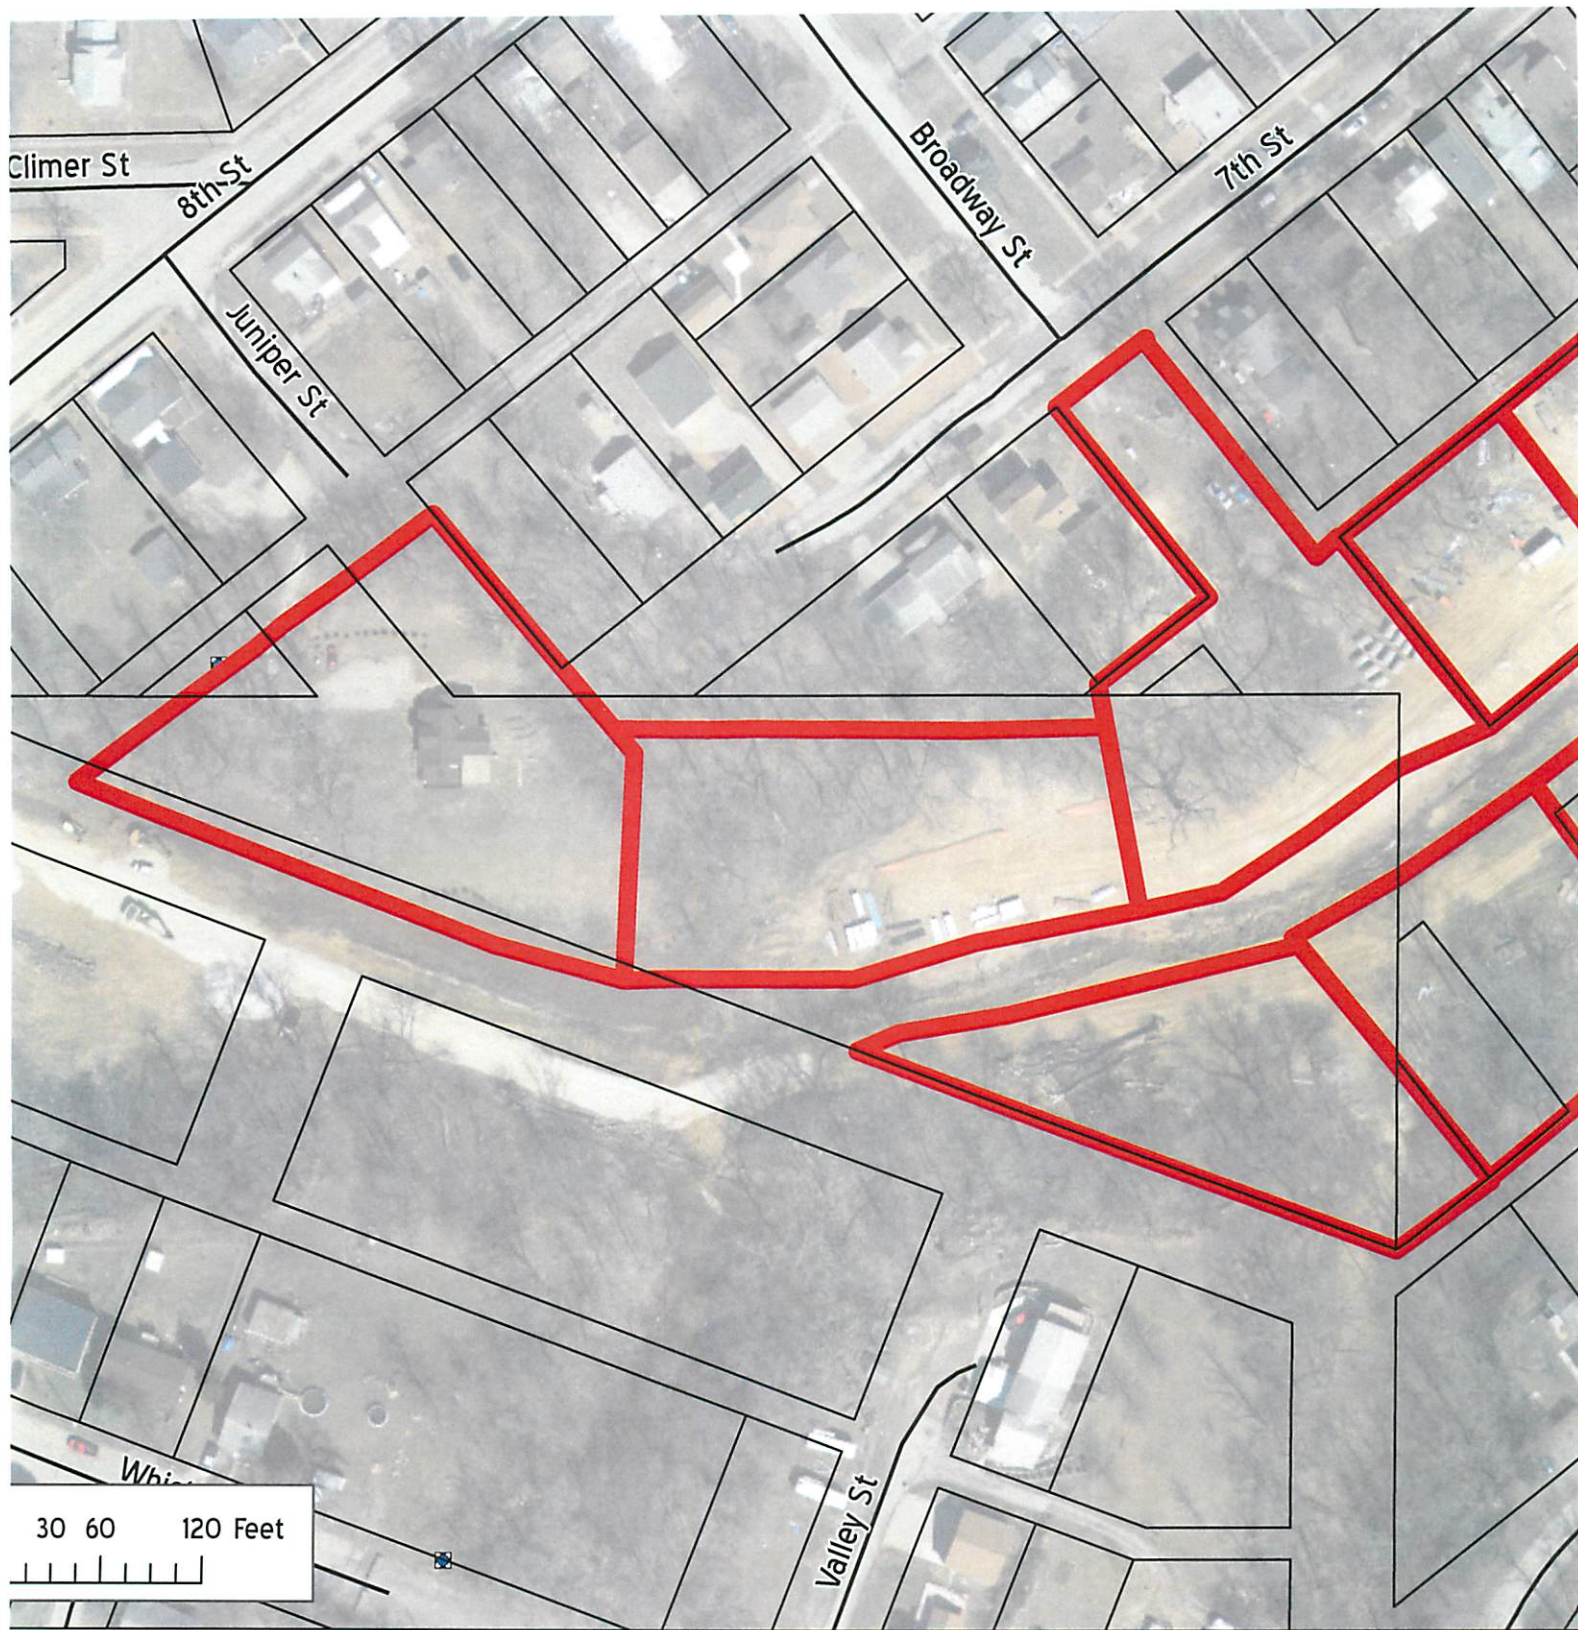

**[www.bistateonline.org](http://www.bistateonline.org).** Total pages viewed for February 2015 was 2,644, and top pages viewed included: Home Page (861); Joint Purchasing Council (174); Search Page (128); Our Staff (111); Contact Us (42); Documents (57); Careers (42); Who We Are (54); and Quad Cities Metro LRTP (Long Range Transportation Plan) (54).

**ENVIRONMENTAL, RECREATION, RIVERFRONT SERVICES:** Responded to inquiries & assisted with trail/recreation project funding assistance/grants. Served Rock Island County Waste Management Agency (RICWMA) with coordination of meetings, oversight, and management of waste disposal and recycling programs; reporting; and overall agency administration. Responded to RICWMA telephone inquiries from general public & media concerning solid waste and recycling issues. Held Bi-State Waste Coalition meeting on electronic recycling. Continued coordination of issues related to Bi-State Region Clean Air Partnership and strategies for emission reduction. Continued multi-jurisdictional hazard mitigation planning. Attended RiverVision and River Action meetings. Attended planning meetings for Upper Mississippi River conference. Organized bi-monthly meeting of Quad City Riverfront Council.

**INTERGOVERNMENTAL FORUMS AND REGIONAL SERVICES:** Continued assistance to the Joint Purchasing Council (JPC). Worked on the following bids: Turf Chemicals; Janitorial Supplies/Canliners/Food Services; Plotter Paper; Printer/Fax Supplies; and Winter Paper. Staffed Quad Cities Area intergovernmental forums and meetings of area recreation directors, managers and administrators, and chief elected officials. Continued coordination and planning for the awarded Department of Justice interoperability grant. Assisted with Rock Island Arsenal issues.

**REVOLVING LOAN FUND (RLF):** Administered Bi-State RLF Program: Prepared meeting agenda, minutes, and financial summary report. Reviewed Davenport company application for board presentation. Provided information to potential applicants. Continued receiving job creation information from active companies. Administered Mercer/Muscatine RLF Program (MMRLF): Prepared meeting agenda, minutes, and financial summary report. Reviewed Aledo & Muscatine company applications and prepared for board presentation. Provided information to potential applicants. Worked with Aledo, Muscatine City and County, West Liberty, and Wilton to identify potential projects for gap financing.

**TRANSPORTATION PLANNING, PROGRAMMING AND PROJECT DEVELOPMENT:** Attended related meetings, presented information, and continued staff coordination of river crossing issues. Monitored MPA bridge restrictions for CY15. Worked on *2045 Quad Cities Long Range Transportation Plan (LRTP)* chapters, travel model calibration/validation, goals/objectives development, and TAZ level projections. Continued *Bi-State Region Transit Development Plan* update. Held joint interdisciplinary traffic safety meeting. Prepared monthly reports of federal transportation programs and coordinated related funding/reporting. Monitored air quality emission issues and exceedances. Continued "Make Air Quality Visible" strategic plan implementation. Worked on connections of American Discovery Trail (ADT)/Grand Illinois Trail and Mississippi River Trail, and attended related meetings, as well as other trail planning and grant assistance. Facilitated issues related to Bi-State Regional Trails Committee, including bike map review. Participated in Partnership in Community Health (PICH) grant work plan development. Coordinated Bi-State Drug and Alcohol Testing Consortium and continued random testing program. Monitored MPO and Iowa Region 9 FY15 Transportation Planning Work Programs and initiated FY2016 TPWP development. Monitored FFY15-18 Transportation Improvement Programs (TIP) including facilitating TIP revisions, and maintenance of data entry in Iowa TPMS as part of transportation improvement programming. Administered IAQC and Illinois Region 2 transit coordinator positions. Administered Bi-State Region Freight Flow Commodity Study and participated in meetings, document review, and coordination. Reviewed IADOT/RPA9 freight bottleneck priorities. Reviewed transit funding balances and monitored FTA grantee requirements. Monitored status of implementation of passenger rail service to Chicago. Participated in transportation webinars, workshops, or conferences on various topics.

City of Muscatine  
Greenwood Cemetery Steps Project Agreement

It is hereby agreed by and between the City of Muscatine, Iowa hereinafter referred to as City and Friends of Greenwood Cemetery hereinafter referred to as F.G.C. as follows:

1. That the City and F.G.C. agree that this agreement provides guidelines that are for the "Cemetery Step Project". In the event of site deterioration and/or local or state changes in regulations or if the project parameters change there may be additional requirements.
2. That F.G.C. agrees to obtain all necessary licenses, permits, and certificates, as required by Federal Law, State Law, or Local Ordinance, at F.G.C.'s expense.
3. That F.G.C. agrees to assume full and absolute responsibility for, and to defend, hold harmless and indemnify, the City and its Officers, Employees, and Agents, for any and all claims, damages and losses in any way resulting from the maintenance, operation, or use of the steps or immediate area around the steps. A maintenance endowment shall be in place prior to the start of the project.
4. That prior to the start of this project F.G.C. shall file a certificate of insurance with the City, F.G.C. will provide a fifteen (15) day notice of cancellation in writing, naming the City as additional insured. F.G.C. shall purchase or provide for liability insurance in the amount of at least one million (\$1,000,000.00) per occurrence and two million (\$2,000,000.00) aggregate for bodily injury and property damage claims. Additionally, the contractor shall furnish a maintenance bond subject to the City's approval.
5. That F.G.C. agrees to observe all laws of the State of Iowa, all Ordinances of the City of Muscatine, Iowa and all Federal laws applicable to the project including A.D.A. compliance where applicable.
6. That F.G.C. agrees not to assign this agreement without the expressed written consent from the City.
7. That F.G.C. may not make permanent changes or improvements to the project area without the expressed written consent of the City, and said improvements shall become the property of the City without compensation to F.G.C.
8. That F.G.C. will provide to the City and update as needed the F.G.C. BYLAWS and Organizational Structure including the appointing of a single point of contact to the City.
9. That F.G.C. will provide to the City a list with values of contributors and contractors working on or donating to this project.

10. That F.G.C. will provide to the City a project concept plan with a cost estimate that is supported by current relevant engineering standards.
11. A phased project approach will be allowed as long as the initial phase addresses all safety concerns of the project including but not limited to handrails, step deterioration and water drainage crossing the steps. City Staff will approve the specifications for each phase. Funding and in kind services must be in place and in writing to the City prior to the start of the first or any phase.
12. The City will inspect each phase or component during and prior to acceptance of the project.
13. The project will need to include an approved system for closing the steps during bad weather or should the steps fall in disrepair or become dangerous i.e. snow, ice, fallen trees, after dark and during winter.
14. The project will need to go through a City Site Plan Review.
15. The project shall be completed by \_\_\_\_\_ or the City will remove the remaining steps.
16. That the City may terminate this agreement by providing written notice if F.G.C. does not perform the terms and conditions of this agreement.
17. That F.G.C. shall not permit any of the following practices:
  - a. To discharge from employment or refuse to hire any individual because of their race, creed, color, national origin, religion, age, sex, marital status, political affiliation, or disability.
  - b. To discriminate against any individual in the terms, conditions, or privileges of employment because of their race, creed, color, national origin, religion, sex, marital status, political affiliation, or disability.
  - c. To discriminate against any individual in the performance of any obligation or the extension of services under this agreement because of their race, creed, color, national origin, religion, age, sex, marital status, political affiliation, or disability.

# INTRODUCTION

---

Serving local governments in Muscatine and Scott Counties, Iowa;  
Henry, Mercer and Rock Island Counties, Illinois

March 2015

This edition of the *Public Officials Directory* (P.O.D.) includes revisions through March 2015. It also includes staff changes and updated maps through March, as available.

Additional copies of the P.O.D. are available in the following formats:

1) **Hard copy**

Member governments may request one additional complimentary hard copy of the P.O.D. In order to cover costs of publishing, however, Bi-State must charge \$16.00 to member governments or \$20.00 to non-members for additional hard copies. (Add \$4 shipping and handling if mailed.)

2) **E-mail as a PDF document**

3) **On our website** [www.bistateonline.org](http://www.bistateonline.org), as a downloadable PDF document

To place your order, please use the form below and send it to the address listed below or call us at (309) 793-6300. Please call our office if you have questions on downloading a copy from the website.

We continually search for ways to improve our services to local governments and the region. If you have suggestions for making this directory more useful, please share them with us. Also, please contact us with any changes occurring after our publication.

As always, we are grateful for the assistance of municipal, county, state, and federal officials in providing the information for this document.

Sincerely,

Denise Bulat  
Executive Director

Revised: March 2015

# **MISSISSIPPI DRIVE CORRIDOR ENVIROMENTAL ASSESSMENT SCHEDULE**

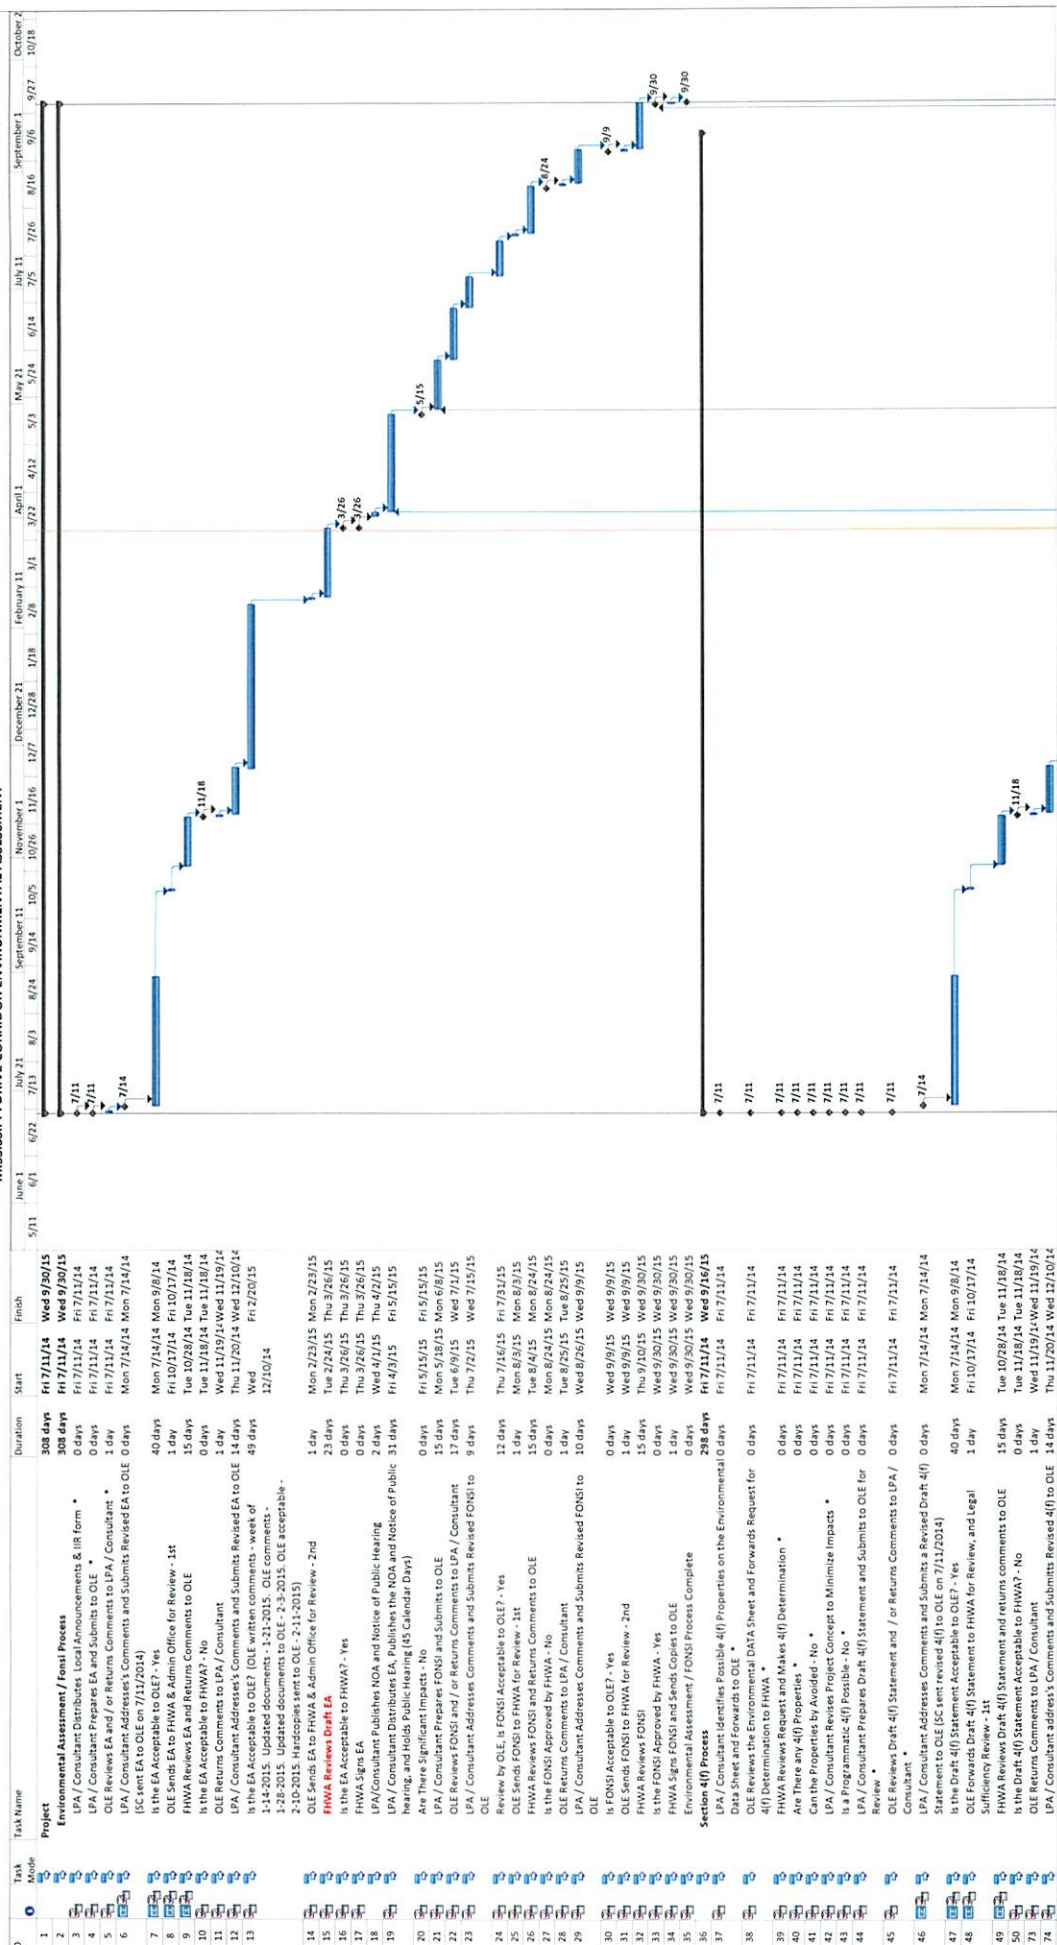

July 21, 2014

Schedule updated March 26, 2015

1. The attached schedule has been developed to track Iowa Department of Transportation (DOT), Federal Highway Administration (FHWA), State Historic Preservation Office (SHPO) and other agency review periods and project progress.
2. IaDOT and FHWA are not obligated/committed by law to complete reviews within a maximum duration. Review periods have been determined from past project experiences. Actual review periods may vary depending upon individual reviewers and agency situations.
3. The typical review periods utilized to determine durations are listed below:
  - IaDOT 1<sup>st</sup> review – 3 weeks + 2 days
  - IaDOT 2<sup>nd</sup> review – 2 weeks + 2 days
  - IaDOT transfer back to FHWA after FHWA review + comments incorporated – 1 day
  - FHWA 1<sup>st</sup> review – 3 weeks
  - FHWA 2<sup>nd</sup> review – 3 weeks
  - Legal Sufficiency review – 45 days (no second review)
3. Task durations are conservative for use in planning. Stanley Consultants team will push to expedite the schedule as much as possible and where applicable. It is anticipated that the durations may shorten and as this occurs the schedule will be adjusted accordingly.
4. For schedule development, it has been assumed that when comments are received from reviewing agency, the comments are adequately accommodated/incorporated into the second document submittal and the reviewing agency concurs following second review.
