To: Fran Donelson <fdonelson@muscatineiowa.gov>

A local gentleman has been working with the Chamber of Commerce would like to donate funds to the City for the purchase of holiday lights (Sycamore and Iowa Intersections) and holiday banners for the 2nd Street light poles.

MPW will install the lighting and take care of the power. City Staff will hang the banners.

Community Development confirmed that the property owners are willing to participate (lights will be strung building to building across the intersection).

The lights total \$8,322 plus shipping and the banners total \$1180 plus shipping.

We hope to have everything in place for Thanksgiving and the Holiday Stroll.

This purchase is wholly covered through the donation.
