Re: Request to Amend BW Collar Unit Agreement

The City has made a request of the Chauffeurs, Teamsters, and Helpers Local #238 covering the Blue/White Collar Bargaining Unit to amend the agreement to add a position to the contract.

This agreement includes addition of the following position:

Custodian I to Pay Grade 1

The agreement will also be amended to change the existing Custodian classification to Custodian II. This position will remain in its current pay grade.

As was discussed with Council during the budget sessions, the building and grounds department is adding some personnel to meet the needs of the new library. This amendment provides the positions needed to fill these openings.

The bargaining unit has already agreed to these changes. At this time, I am requesting approval from the City Council to make these changes. Please let me know if any additional information is required.
