Re: An Ordinance Amending Title 3, Chapter 5, Section 9, Subsection D of the City Code to Allow for Dogs to Be Let Off Leash in Areas of City Parks Designated for Off Leash Use by The Parks and Recreation Department

As part of the Pearls of Progress Project the City has begun construction on the community's first off-leash dog park. The dog park will be opened to public use this summer.

Current City Code requires all dogs in City parks to be kept on a leash with no exceptions. With the forthcoming opening of the dog park it is necessary to amend City Code to allow for dogs to be let off leash in designated areas. As such the following amendment to Title 3, Chapter 5, Section 9, Subsection D of the City Code is being to proposed to be amended to read as follows, add language shown in bold. D. Permit any dog to be in a park unless such dog is on a leash not more than six feet (6') long, **except for in areas designated for off leash use by; and in accordance with all regulations adopted by; the Parks and Recreation Department.**

RECOMMENDATION:

Approve the proposed ordinance as attached.
