BUS PASSENGER TIPS

Along the Fixed Routes, MuscaBus allows passengers to flag a bus in order to board the bus. Standing at a MuscaBus sign is best when waiting for the bus, but it is not required. When you see the bus coming, signal the driver by facing the bus and waving at the driver to let them know you want the bus to stop. You must be standing in a location (on the side of the street that you will board the bus) that the driver can see you as the bus approaches. The driver will stop in a safe location, please stay back from the curb a few feet for your safety. Wait for anyone getting off the bus before boarding.
