B.3 Progress Report.

Provide a description of the PHA's progress in meeting its Mission and Goals described in the PHA 5-Year Plan.

MMHA continues to operate the Public Housing and Housing Choice Voucher programs in compliance with federal regulations, including implementing the smoke-free housing rule and updating VAWA policies.

Public Housing: Each year the Agency inspects each unit that is vacated for necessary modernization activities, which are completed as part of the turnover process. Improvements and replacements are evaluated for cost-effectiveness and maintenance concerns. Each property is also evaluated for opportunities to implement energy efficiency components, including use of LED lights, minimizing water usage, more energy efficient refrigerators, and programmable thermostats. As the buildings age maintenance issues arise and are addressed as necessary. This year we will be completing some capital projects including foundation repairs at Sunset, new entry system at Clark House and roof repairs at Clark.

Housing Choice Voucher: MMHA continues to use the project-based voucher option to increase the supply of quality housing available to our clients. At the start of FY2019 we will have 35 PBV units in place with an additional 13 under development. To this end we have also revised the inspection process, using the local code inspector to inspect all assisted units. This has improved the maintenance of units receiving assistance as well as minimized issues with units being withdrawn from the program and becoming generic market rental to avoid making repairs.

Staff continues to work with landlords to improve landlord-tenant working relationships, including implementing a renter education class through our Housing Counseling Program. In collaboration with our Family Self-Sufficiency Program and external community partners, we will be expanding our housing counseling services to focus on supporting improved self-sufficiency through financial literacy and budgeting as well as educational improvement and skill development. We continue to offer Homeownership through the Voucher Program and are increasing marketing of this option to appropriate families.
