RE: Recommendation to Declare Items Surplus

INTRODUCTION:

It is in the city's best interest to periodically get rid of surplus material and equipment. This is done via online public surplus auction. In order to make items available for auction they must first be declared surplus by the city council.

BACKGROUND:

City staff have compiled a list of no longer used or needed material and equipment. The list is currently available to all departments and any of the items not claimed for city use will be sold.

RECOMMENDATION/RATIONALE:

Staff recommends that council declare the following list of materials and equipment as surplus and allow them to be listed and sold via online auction between September 2nd and September 16th, 2019. Proceeds from the auction will be returned to the individual departments that submitted the items for sale.
