RE: Truck Equipment Purchase

---

### INTRODUCTION:

Roadway Maintenance staff is replacing a 2002 dump truck ( unit #114 ) in the FY 19/20 budget.

### BACKGROUND:

Truck #114 is being replaced. The truck chassis has already been purchased. This is the equipment that will be installed on the new chassis, ( Dump, Body, Front Mounted Snow Plow, Underbody Scraper, Salt Box, and all the Hydraulics needed to drive the equipment).

### RECOMMENDATION/RATIONALE:

City Staff received two bids on August 29, 2019. The low bid was from TriState Truck Equipment (Dubuque) in the amount of \$88,877.00. However, they did not meet specs on two of the four pieces of equipment. The other equipment bid did meet all specs, and it was from Henderson Manufacturing Inc. in the amount of \$90,778.00 . I recommend purchasing the equipment from Henderson Manufacturing Inc. in the amount of \$90,778.00. If you have any questions, please contact me.
