

Appeal Case #ZBAV26, filed by John Whitworth of 510 Centre Drive, is requesting a variance for a fence that does not comply with City Code. The current fence is more than 25% opaque and is less than six feet from the street side lot line. City Code 10-22-1(J) (5)(b)(i) requires fences that are more than 25% opaque may only be three feet in height when located less than six feet from the street side lot line.
