Re: Ordinance Vacating a Portion of Right-of-Portion the Alley Located in Block 29 of Original Town

INTRODUCTION: The City of Muscatine has submitted a request to vacate a portion of the alley located in Block 29.

BACKGROUND: The City of Muscatine is currently reconstructing the 2nd Street and Mulberry Avenue intersection into a roundabout. As part of this project additional right-of-way had to be acquired from a number of adjoining property owners, including from HNI Corporation and Dekock Anita LLC. As part of the agreements for the City to acquire the right of way needed for the roundabout project, the City agreed to vacate and convey to HNI Corporation and Dekock Anita LLC, the portions of the alley right of way that do not serve a current or future public use.

RECOMMENDATION/RATIONALE: The Planning and Zoning Commission voted at their March meeting to recommend approval of this request. Staff concurs with this recommendation; the right-of-way being proposed for vacation serves no useful public purpose.
