Extension Request: Order to Correct Violations

An owner or responsible agent may request an extension of time to complete any action to correct a violation that cannot be accomplished by the deadline because of circumstances not of the owner's making or are beyond the owner's control.

Approval of an extension to an order to correct violations may granted if the Community Development Department finds that:

1. Strict compliance with the deadline set by the order to correct violations is impractical.
2. That the granting of such an extension does not violate the intent and purpose of City Code.
3. That granting the requested extension does not endanger the life, health, or safety of the occupants or the integrity of the structure.
