---

INTRODUCTION:

Roadway Maintenance staff is wanting to purchase a Dump Body for the new # 14,000 G.V.W. Truck Chassis.

BACKGROUND:

The Public Works Department replaces dump trucks as needed. We have already purchased a new truck chassis that's replacing truck #60, which is a 1993 Ford 1 Ton Dump Truck. This is the dump body for the new 2020, 1 Ton Truck Chassis.

RECOMMENDATION/RATIONALE:

City Staff received five bids on Thursday June,4, 2020. The low bid from, Stellar Truck & Trailer from Mason City, Iowa, did not meet specs. The second low bid was from Henderson Truck Equipment in the amount of \$16,774.00. We request that the City Council award the bid to Henderson Truck Equipment, from Manchester Iowa, in the amount of \$16,774.00. The budgeted amount was \$15,000.00. If you have any questions, please contact me.
