Re: Resolution Awarding Contract for the Demolition of a Structure at 104 Clinton Street

Introduction:

A fire on February 25, 2019 damaged the home located at 104 Clinton Street beyond repair. What remains of the structure is a hazard to public safety and needs to be demolished. A request for bids was published and Sulzco LLC was the low bidder at \$14,500.00. One other bid was received from Muscatine Bridge for \$58,850.

Background:

This property was deeded over to the City after the fire. Completing this the demolition will clear the property and allow the City to pursue opportunities to return it to a beneficial use, ideally through the construction of a new home on the parcel.

Recommendation

Approval the attached resolution awarding the contract for demolition to Sulzco LLC is recommended. The low bid met all requirements and is inline historical costs for the City to demolish a single-family home.
