MEMORANDUM

To: Mayor and City Council Members
Cc: Gregg Mandsager, City Administrator
From: Steven Boka, Director of Community Development
Date: August 17, 2012
Re: Vacation Request – Public Access Remnant

INTRODUCTION: A request has been submitted by Martin & Whitacre Surveyors & Engineers on behalf of Salvatore and Stephanie LoBianco, to vacate, sell and transfer a ten-foot (10') wide access remnant intended to provide access to the residentially zoned property located off Myrtle Lane.

BACKGROUND: Salvatore and Stephanie LoBianco recently purchased a 3.94-acre parcel located off north of mulberry Avenue and west of Myrtle Lane for the construction of a new single-family residence. As a result, the access easement intended to provide sidewalk access for future development on the property will no longer be necessary. The LoBianco's would like to purchase the remnant from the city to extend utilities to their new home. While the initial intent is to connect to utilities on Myrtle Lane, the LoBianco's may also extend a driveway across the property. The adjacent property owners have been contacted by the LoBianco's and have supplied a letter stating that they are not interested in the property.

RECOMMENDATION/RATIONALE: The Planning Commission conducted an on-site viewing of the request on August 8th and unanimously approved the request during their August 14, 2012 meeting. Before City Council consideration of a proposed sale and transfer of public property, a public hearing is required. It is recommended that the City Council adopt the attached resolution setting a public hearing for September 20, 2012 to consider the sale and transfer of public property.
