

PRESS RELEASE

The Government Finance Officers Association of the United States and Canada (GFOA) has awarded the City of Muscatine, Iowa, the GFOA's Distinguished Budget Presentation Award for its budget.

The award represents a significant achievement by the entity. It reflects the commitment of the governing body and staff to meeting the highest principles of governmental budgeting. In order to receive the budget award, the entity had to satisfy nationally recognized guidelines for effective budget presentation. These guidelines are designed to assess how well an entity's budget serves as:

- A policy document
- A financial plan
- An operations guide
- A communications device

Budget documents must be rated "proficient" in all four categories, and the 14 mandatory criteria within those categories, to receive the award.

When a Distinguished Budget Presentation Award is granted to an entity, a Certificate of Recognition for Budget Presentation is also presented to the individual or department designated as being primarily responsible for its having achieved the award. This Certificate of Recognition has been presented to the Finance Department.

For budgets beginning in 2013, 1,424 participants received an Award. Award recipients have pioneered efforts to improve the quality of budgeting and provide an excellent example for other governments throughout North America.
