**FOR IMMEDIATE RELEASE**

**November 29, 2017**

## THIRD ROUND OF LEAF PICKUP IS UNDERWAY IN MUSCATINE

*Four trucks working to gather leaves raked to curb by city residents*

**MUSCATINE, Iowa** – A third round, and perhaps the final round, of leaf pickup is underway in the City of Muscatine. Four trucks from the Department of Public Works have completed a third round of leaf pickup in Zone 1 (see attached map) and moved into Zone 2 late Wednesday (Nov. 29) morning.

Work to complete a third round of pickup will continue but will be interrupted briefly on Thursday as the trucks return to Zone 8 to complete the second round in that area.

Additional pickups may be scheduled as weather permits but, for the present time, this third round of leaf collection will complete the city's effort for the 2017 season.

The Compost Site will be open until mid- to late-December for residents to bring leaves and other yard waste. The Compost Site at the Recycling Center and Transfer Station, 1000 S. Houser St., is open Sunday through Friday 12-6 p.m. and on Saturday from 9 a.m.-6 p.m.
