**MUSCATINE, Iowa** – Muscatine Power and Water will be closing Bidwell Road near the intersection with the Highway 61 bypass next week to make repairs to a water valve.

The work is currently planned to begin on Monday, Feb. 19, and be completed by Thursday, Feb. 22, weather permitting. MPW hopes to keep one lane of traffic open for as long as possible on Monday with a total closure of Bidwell by Wednesday, Feb. 21.
