## **WATER VALVE REPLACEMENT TO AFFECT TRAVEL FRIDAY**

Drivers should expect delays using Mulberry-2nd Street intersection Apr. 13

**MUSCATINE, Iowa** – The City of Muscatine and Muscatine Power & Water (MPW) will be working in the 2nd Street-Mulberry Avenue intersection on Friday, April 13, for an emergency repair to a water valve. The work is expected to begin at 7 a.m. and will be completed by 5 p.m.

Drivers should expect delays while using this intersection. A flagger will be in the intersection to control traffic flow around the work area with restricted traffic on 2nd Street eastbound from the intersection. Plan an alternate route of travel if possible.

Please use caution when driving through this area if you must use this intersection on Friday, April 13.
