**FOR IMMEDIATE RELEASE  
NOVEMBER 26, 2018**

### **CLINTON STREET CLOSURE RESCHEDULED FOR TWO DAYS**

*Sewer repair work on Hershey Avenue to close Clinton Street Nov. 27-28*

**MUSCATINE, Iowa** – The weekend snowstorm has delayed a temporary closure of a portion of Clinton Street, between Hershey Avenue and New Hampshire, which was scheduled to begin Monday, Nov. 26. The street will now be closed to traffic for two days (Nov. 27-28) for a sewer repair.

Triton Plumbing will be repairing a sewer line at 1904 Hershey Avenue starting on Tuesday, Nov. 27, with work expected to be completed by the end of the day on Wednesday, Nov. 28. The closure was approved by the Muscatine City Council on Nov. 1, 2018.

Drivers are urged to plan for alternate routes during this three-day period and, as always, use caution when travelling around or near construction areas.
