**FOR IMMEDIATE RELEASE
DECEMBER 19, 2018**

LANE RESCTRICTION IN 100 BLOCK OF MULBERRY AVENUE

Replacement of library sewer line to close part of parking lot, part of Mulberry

MUSCATINE, Iowa – Lane restrictions are in place in the 100 block of Mulberry Avenue as KMA Excavating begins to replace the sewer line for the Musser Public Library and HNI Community Center. Part of 1st Alley will also be closed along with a portion of the library parking lot.

KMA Excavating estimates that the closures and lane restrictions will be in place through the end of the work day on Friday, Dec. 21. The restrictions may be extended or removed depending on the progress of the work involved.

Travel in the southbound lane of Mulberry from 2nd Street to Mississippi Drive will be restricted during the sewer replacement process. Drivers are urged to use caution in traveling through the area with traffic control devices in place to assist with the traffic flow. Drivers are also urged to find alternate routes if possible to avoid the construction area.
