FOR IMMEDIATE RELEASE

OCTOBER 4, 2019

SIMULATOR ALLOWS YOU TO PLAY GOLF ALL YEAR LONG

Players can keep their competitive edge by using TruGolf technology

MUSCATINE, Iowa – Cooler temperatures no longer predict the end of golf season. Play rounds of golf with your clubs all year long on the Muscatine Municipal Golf Course's TruGolf simulator. Open play, leagues and lessons will be available regardless of winter's approach.

Experience for yourself the game improvement capabilities of the TruGolf simulator. The mixed reality program will measure your club through impact and the ball trajectory, and will display the information in simple graphics. Improve your swing and keep your competitive edge using the simulator data and instructor input from PGA Professional Dave Crawley.

Appointments can be made by contacting the Pro Shop at (563) 263-4735.

The clubhouse at the Muscatine Municipal Golf Course is an excellent choice for your next private event. Use the TruGolf simulator with your office team, hold an off-site business meeting, or host a stress-free birthday party. No matter the occasion, the clubhouse is available to meet your specific event needs.

For more information and to book a tee time, call the Muscatine Municipal Golf Course at (563) 263-4735, or visit [Golf](#) on the City of Muscatine web site.
