**FOR IMMEDIATE RELEASE**

## **GOLF SIMULATOR LEAGUE SCHEDULED TO START IN FEBRUARY**

*Municipal Golf Course to host two-person scramble Indoor Golf League*

**MUSCATINE, Iowa** – A Golf Simulator League will begin competition on February 1, 2020, at the Muscatine Municipal Golf Course. The full swing golf simulator located in the Clubhouse allows competitors to play on a graphically or photographically simulated golf course any time of the day and no matter what the weather is outside.

This league also gives golfers the opportunity to play with our PGA Professional, and to work out the kinks on their swing as they prepare for the upcoming 2020 golf season.

The league will be a two-person scramble comprised of six matches. Golfers will play simulator matches on different courses throughout the world. The final scores will be the player's aggregate score throughout the season.

The cost is \$10 per person for the league, which will be paid back in full to the winners. Each match costs \$10 per person for use of the simulator.

The snack bar will be open for food and beverage specials, and play can be scheduled at the golfers' convenience anytime throughout the duration of the league. The Pro Shop will also be open for golfers to purchase items they will need for the 2020 outdoor golf season.
