WEST HILL PHASE 4C PUBLIC INFORMATION MEETING SET

Public invited to attend January 29 meeting as 2020 construction schedule discussed

MUSCATINE, Iowa – Phase 4C of the West Hill Sanitary and Storm Sewer Separation Project could begin in early February according to City of Muscatine project managers who oversee the construction project. A public informational meeting will be held at 5:30 p.m. on Wednesday, January 29, 2020, in the lower level conference room of Muscatine City Hall.

All interested individuals are invited to attend the public information meeting. City of Muscatine project manager along with a representative from the contractor will be on hand to discuss the tentative timeline for work this summer.

Phase 4C is tentatively planned to be completed in three phases beginning with a section of Iowa from 8th to 9th streets, and 9th Street from Iowa to Chestnut. Sewer separation and pavement restoration work will also be undertaken on Maiden Lane and Roscoe Avenue, and on 8th Street from Linn to Broadway.

The \$6.1 million contract for Phase IV of the West Hill Sanitary and Storm Sewer Separation Project was awarded to KE Flatwork, Inc., of Elbridge, Iowa, on April 5, 2018. Phase 4A was completed in 2018 and Phase 4B in 2019.
