TEMPORARY CHANGES MADE AT POLICE DEPARTMENT

MPD still responding to emergency calls but some functions suspended

MUSCATINE, Iowa – In response to COVID-19, the Muscatine Police Department is making some temporary changes to their operations in an effort to keep team members healthy and continue to provide critical public safety services.

“We want the public to know we are here and we are committed to providing the best services we can during these troubling times,” Brett Talkington, Muscatine Police Chief, said. “Our emergency 911center is prepared for all emergencies and you can call 911 for emergency needs 24/7.”

The Muscatine Police Department is encouraging citizens to call the non-emergency number (563-263-9922) to report incidents.

“If you need us, or have a question related to a non-emergency need, call,” Talkington said. “We are encouraging citizens to avoid coming to the Police Department unless necessary, but if you do, we will take your report.”

The Department asks that if you need a copy of a police report, or have a question about a police record, call the Records Department at 563-263-9922 during normal business hours
