**FOR IMMEDIATE RELEASE
JANUARY 31, 2021**

MCPH VACCINATION TIER 1B DISTRIBUTION BEGINS

Limited allocation of vaccine for Muscatine County will be distributed this month

MUSCATINE, Iowa - The Muscatine County Public Health (MCPH) Department's phase1B vaccination plan is based on an extremely limited allocation of vaccines. **Plans are subject to change based on vaccines assigned and received.**

- 300 doses anticipated to be received during the week of 2/1/21
- 400 additional doses assigned to our county projected to be received the week of 2/1/21 or 2/8/21
- Target population estimated for 1B is 15,000 – 20,000 in Muscatine County

MCPH Department's plan to distribute the initial 300 doses to 1B (people aged 65 + and a small group of tier 1 workforce) will be as follows. Half of the doses will be administered to senior living apartment buildings in Muscatine County through the partnership of pharmacies. The other half of the doses will be administered to first responders in Muscatine County (firefighters, all law enforcement with cities and county, & child welfare

TIER 1 <ul style="list-style-type: none">First responders (e.g., firefighters, police officers, and child welfare social workers)PK-12 school staff, early childhood education, and childcare workers	TIER 2 <ul style="list-style-type: none">Food, agriculture, distribution and manufacturing workers who work in or live in congregate settings that do not allow for social distancingIndividuals with disabilities living in home settings and their direct care staff	TIER 3 <ul style="list-style-type: none">Staff of and individuals living in congregate settings (does not include college dormitories)Government officials, to ensure continuity of government including staff, engaged in state business at the Iowa Capitol during the legislative session	TIER 4 <ul style="list-style-type: none">Inspectors responsible for hospital, long-term care, and child safety	TIER 5 <ul style="list-style-type: none">Correctional facility staff and individuals incarcerated

PHASE 1B BEGINS FEBRUARY 2021

Timeframes are estimated as of January 2021 and are subject to change.

Published 1/21/2021

MCPH Department's plan to distribute the additional 400 doses to 1B (people aged 65 + and tier 1 workforce) will be as follows. MCPH will work collaboratively with approved vaccine providers to administer to patients aged 65 + and begin dispensing to school districts and childcare providers. Approved vaccine providers will contact their patients directly and MCPH will be in direct contact with school administration and childcare provider businesses to set up their clinics when the vaccine is available.

MCPH Department is continuing to vaccinate Phase 1A target populations with 2nd doses while beginning Phase 1B initial doses. Our commitment to Muscatine County is

The mission is to improve the health of the people and communities we serve.
