The trucks will work one zone per day starting with Zone 7 on Monday, April 12, and work until all eight zones are completed. Residents should have their leaves piled in the boulevard in front of their residences for pickup one day before the DPW trucks will be in their zone (see schedule below).

Residents can also contact Public Works by phone (563-263-8933) or email [pwrequest@muscataineiowa.gov](mailto:pwrequest@muscataineiowa.gov) between April 1 and April 16 to schedule a day for leaf collection.
