**FOR IMMEDIATE RELEASE**  
**APRIL 21, 2021**

### **LOGAN TO BE CLOSED TO TRAFFIC THURSDAY MORNING**

*All-American will close Logan from Fulliam to Cedar to facilitate pouring concrete*

**MUSCATINE, Iowa** – Logan Street will be closed to traffic from 9-11 a.m. Thursday, April 22, as All-American Concrete, Inc., continues full depth patching of the street. Logan will be closed from Fulliam to Cedar to facilitate pouring concrete in the southbound lane.

Logan Street has been reduced to one lane of traffic (northbound only) to facilitate full depth patching of the southbound lane from Cedar to Fulliam. Once the southbound lanes are completed, the lane closure will be switched but traffic will remain northbound only through the remainder of the patching work.

---

Drivers are reminded to slow down and use caution when travelling through the construction zone, obey traffic control devices, and be aware of workers. Use an alternate route if possible.

For more information on City of Muscatine construction projects click on [CONSTRUCTION](#) to visit the Department of Public Works Construction Projects page.

If you have a comment or concern, please email [feedback@muscatineiowa.gov](mailto:feedback@muscatineiowa.gov) or [pwrequest@muscatineiowa.gov](mailto:pwrequest@muscatineiowa.gov). A staff member will respond within 24 hours.
