**FOR IMMEDIATE RELEASE
APRIL 28, 2021**

LOGAN TO BE CLOSED TO TRAFFIC FRIDAY MORNING

All-American will close Logan from Fulliam to Cedar to facilitate pouring concrete

MUSCATINE, Iowa – Logan Street will be closed to traffic from 9-11 a.m. Friday, April 30, as All-American Concrete, Inc., continues full depth patching of the street. Logan will be closed from Fulliam to Cedar to facilitate pouring concrete in the southbound lane.

Logan Street has been reduced to one lane of traffic (northbound only) to assist in the full depth patching of the northbound lane from Cedar to Fulliam. The southbound lanes were completed last week and the lane closure switched on Monday. Traffic remained northbound only through the construction area.

Drivers are reminded to slow down and use caution when travelling through the construction zone, obey traffic control devices, and be aware of workers. Use an alternate route if possible.
