MISSISSIPPI MIST MISTING AGAIN ON THE RIVERFRONT

Riverside Park interactive fountain now operating for Summer 2021

MUSCATINE, Iowa – The riverboat smokestack-themed jets of the Mississippi Mist interactive fountain have cascaded for the first time this summer on Friday (May 21) as the Muscatine Parks and Recreation Department opened the splash pad for the 2021 season.

Residents and visitors are encouraged to enjoy the beauty of this riverfront attraction on a walk along the trail, enjoy the cooling mist of the fountain on a warm summer day, and view the spectacular light show during the evening.

The Mississippi Mist will be open daily from 9:00 a.m. to 9:00 p.m. The splash pad is not attended by a lifeguard and children must be accompanied by adults.
