**FOR IMMEDIATE RELEASE**
**MAY 24, 2021**

# SECTION OF GRANDVIEW AVENUED TO BE CLOSED TWO DAYS

*Grandview to be closed Oregon to Main for installation of sanitary sewer*

**MUSCATINE, Iowa** – Grandview Avenue will be closed to all traffic from Oregon to Main starting at 7 a.m. Tuesday (May 25) according to Department of Public Works officials. The closure necessary to install a sanitary sewer from the west to the east side of the road. The closure is expected to last two days.

The Oregon and Grandview intersection will remain open to traffic. Eastbound traffic on Grandview will be diverted onto Warren Street and then onto Liberty Street.

The westbound lanes of Grandview Avenue from Main Street to just west of Musser are currently closed to traffic as underground sewer work is being accomplished. Once the sewer work and installation of a new water main has been completed, work will begin to restore the pavement for the westbound lanes. That is tentatively scheduled to begin in August.

Drivers are reminded to slow down and use caution when travelling through the construction zone, obey traffic control devices, and be aware of workers. Use an alternate route if possible.

For more information on City of Muscatine construction projects click on CONSTRUCTION to visit the Department of Public Works Construction Projects page.

*MUSCATINE – OPPORTUNITY AROUND EVERY BEND*
