MINUTES

April 26, 2021

1. **Call to Order/Roll Call**

Members Present: Steven Bradford, Andrea Kreitner, Derek Reed and Dennis Froelich

Members Absent: Mohammad Pasha

Staff Present: Jodi Royal-Goodwin

Others Present: Mike Woerly from Carver Aero

2. **Approval of Minutes:**

Froelich moved approval of the February 22, 2021, minutes. Kreitner seconded and the motion passed unanimously.

3. **Update on Taxilane A Reconstruction Project**

Royal-Goodwin reported the preconstruction meeting was held and the project would start Monday, May 3. Members discussed the idea of using the aggregate for the future expansion of the taxiway on the north side of the hangars or the new fuel facility. There were questions about if that would be allowed and where could it be stored. Royal-Goodwin will talk with Bolton & Menk about this.

4. **Update on State Grant Application**

A grant application was submitted to extend the taxiway on the north side of the hangars to accommodate larger aircraft that may go into the large, new hangar.

5. **Request to Lease Airport Ground for Solar Energy Facility**

SolarStone has approached the City about leasing land on the airport to construct a solar generation facility on behalf of Muscatine Power and Water. They would have to get FAA concurrence, complete a glare study, and there may be access issues. We may be able to continue leasing the land for agricultural purposes while studies are completed and until construction commences.

6. **Other Business**

There are currently 2 open hangars, 1 in each row 2 and 3. Gas line has been run to the new hangars, but the meters have not yet been set.

It is anticipated the old hangar will be repainted this year, but all efforts need to be made to insure it does not peel immediately, either having the contractor guarantee the work or determining if it needs reskinned.

It is time to contact Rich and Stan about spraying for weeds in May.

Woerly will provide an update on the status of lighting at the next meeting.

7. **Comments from the Public**

There were no comments.

8. **Adjourn**

Reed moved to adjourn.
