## **VACCINATION CLINIC TO BE OFFERED AT AQUATIC CENTER**

*United Way, Public Health teaming up to offer clinics at local places of interest*

**MUSCATINE, Iowa** - Expanding vaccine availability to local places of interest makes getting the vaccine easier for members of the community, and the United Way of Muscatine is working with Muscatine County Public Health to ensure the vaccine is available to all.

A COVID-19 vaccination clinic will be offered from 1-3 p.m. Saturday (July 31) in the Community Room at the Muscatine Aquatic Center in Weed Park. Volunteers from the United Way of Muscatine will be assisting Muscatine County Public Health staff to help the clinic run smoothly.

Vaccines are free and anyone can walk-in to receive a vaccination. Pfizer, Moderna, and Johnson & Johnson will all be available at the clinic. Insurance is not needed but please bring your identification (ID) with you. Minors (ages 12-17) must be accompanied by a parent/guardian.

Anytime is a great time to grab your towel and swim suit and visit the Aquatic Center at Weed Park. The City of Muscatine and the Department of Parks and Recreation invites you to come out to the Aquatic Center for a day of fun in the sun. While you are there on Saturday, and if you have not been vaccinated yet, take this opportunity to receive the vaccine shot. Let's get all eligible youth and adults vaccinated in Muscatine County.
