ANOTHER LONG AGENDA FOR MUSCATINE CITY COUNCIL

Stanley Center for Peace and Security requesting several easements from City

MUSCATINE, Iowa – The Stanley Center for Peace and Security is ready to begin the transformation of the former Musser Public Library Building at Iowa and 3rd Street and are asking for several easements from the Muscatine City Council when they meet at 7 p.m. Thursday (August 19) in the Council Chambers of Muscatine City Hall.

A virtual meeting will also be held in conjunction with the in-person meeting for those who want to view the proceedings or make a comment but do not want to attend in person. (Details below).

The Stanley Center acquired the building from the City of Muscatine in October 2020 with plans to remodel the structure into one of the most environmentally-friendly and ecologically-sustainable buildings in the world. In order to accomplish the renovations, the Stanley Center is asking the City to grant four easements and a temporary reduction of traffic flow and parking as they begin the remodeling process.
