## MUSSER PARK PLAYGROUND NOW CLOSED TO THE PUBLIC

*Playground closed due to Southend Improvement Project construction work*

**MUSCATINE, Iowa** – The Musser Park playground has been closed indefinitely due to construction work in the area as part of the Southend Improvement Project. Activity currently includes the construction of a trail extension from the levee to Oregon Street that creates potential hazards for children and adults. Additional work on Musser Park renovations will also begin over the next several months.

Please be aware of surroundings when walking in or around construction areas, and avoid these areas if at all possible.
