SPIRITS ARE MADE BRIGHT AT THE FESTIVAL OF LIGHTS

Drive-through display sites at Weed Park will thrill kids from 1 to 92

MUSCATINE, Iowa – Muscatine's historic Weed Park will be shining brightly again this holiday season with stunning displays of Christmas wonder from December 12 through December 26. Viewers may drive through the park and witness the spectacle from 5:30-7:30 p.m. daily beginning at the Washington Street entrance and proceeding to the Colorado Street exit.

The elves in the Muscatine Parks and Recreation office have been busy since early fall working with local community organizations and businesses to help spread heart-warming joyfulness this holiday season. These volunteer groups have made Weed Park come to life with beautiful light displays that will help make Muscatine's spirits bright.

This is the second year for the Festival of Lights in Weed Park with almost twice as many displays this year to delight park visitors.

Everyone will have the opportunity to get into the spirit of giving by donating a non-perishable goodwill food item that may be dropped into containers at the Washington Street entrance. All donations will be used to benefit local food pantries.

If you want to share your holiday spirit but just haven't found a way to do that, it is not too late to adopt a display site. Volunteers may design their own light display near any available Weed Park shelter, gardens, and structures for the enjoyment of all this December. Interested
