MAKING A SPLASH - CASCADING FOUNTAINS OF THE MIST

Interactive fountain on Muscatine riverfront now operating for the summer

MUSCATINE, Iowa – The riverboat smokestack-themed jets of the Mississippi Mist interactive fountain cascaded for the first time this summer, bringing back to life one of the featured activities on the Muscatine riverfront.

Citizens are encouraged to enjoy the beauty of the Mist on a walk along the trail, cool off in the fountain on a warm summer day, and view the spectacular light show in the evening.

The Muscatine Parks and Recreation Department opened the riverfront splash pad for the 2023 season on Tuesday (June 13) after weeks of cleaning the system and testing the water quality. The splash pad is under the same state regulations as the Weed Park Aquatic Center.

The Mississippi Mist will be open daily from 9:00 a.m. to 9:00 p.m. The splash pad is not attended by a lifeguard and children must be accompanied by adults.
