**FOR IMMEDIATE RELEASE  
JUNE 22, 2023**

## **PUBLIC MEETING JUNE 29 ON WEST HILL PHASE 6A & 6B**

**MUSCATINE, Iowa** – The City of Muscatine will host a public meeting for residents who will be affected by the upcoming Phase 6A and Phase 6B work associated with the West Hill Sanitary and Storm Sewer Separation Project. The meeting will be held at 5:30 p.m. on Thursday, June 29, in the parking lot located in front of Jefferson Elementary School.

KE Flatwork of Eldridge, Iowa, was awarded the contract for Phase 6A and 6B by the Muscatine City Council earlier this month. A letter was sent to residents affected by the work concerning the public meeting, and door hangers will be placed on residences closer to the meeting as a further reminder.

City staff and the contractor will provide a brief overview of the project and answer any questions.

This meeting will be outdoors so please dress appropriately for the weather.

See [color coded map](#) for work areas and the tentative schedule of work. All dates are weather dependent.
