DETOUR AT ROUNDABOUT FOR EASTBOUND TRAFFIC

Work on foundation for public art sculpture begins Monday at 2nd and Mulberry

MUSCATINE, Iowa – Work will begin Monday (Oct. 16) to construct the foundation for the art sculpture “Zenith” to be located in the 2nd Street & Mulberry Avenue roundabout. The sculpture by Nathan Pierce of Cape Girardeau, Missouri, received the Public Art Advisory Commissions recommendation following an online public survey and in-person voting that was conducted in 2021.

Traffic control will be set up to keep southbound and northbound traffic moving around the roundabout. However, eastbound traffic will not be able to go straight around the roundabout as crews from Heuer Construction will be staging and working off of the red concrete apron ([see diagram](#)). Eastbound traffic will need to detour south.

Traffic is advised to slow down and use caution in the construction area. Work is anticipated to be completed by October 27, if not sooner, weather permitting.
